Explanation of Responses:

1. Vesting of one-half these restricted stock units ("RSUs") is dependent on the compound annual growth rate ("CAGR") of Expedia Group’s common stock through a performance period ending on December 31, 2021 ("Tranche 1"). Vesting of the remaining one-half is dependent on the CAGR of Expedia Group’s common stock through a performance period ending on December 31, 2022 ("Tranche 2"). The "target" number of RSUs is reported in each case.

2. Between 50% and 150% of the target number of RSUs may vest on February 15, 2022 (with respect to Tranche 1) and on February 15, 2023 (with respect to Tranche 2), in each case assuming continued employment through the applicable date and with the vesting percentage based on the applicable CAGR.
