

Expedia Group, Inc. Announces Pricing of Private Offering of Senior Notes

SEATTLE, Washington – July 7, 2020 – Expedia Group, Inc. (“Expedia Group” or the “Company”) today announced that it has agreed to sell \$500 million aggregate principal amount of unsecured 3.600% senior notes due 2023 (the “2023 Notes”) and \$750 million aggregate principal amount of unsecured 4.625% senior notes due 2027 (the “2027 Notes” and, together with the 2023 Notes, the “Notes”) in a private offering. The 2023 Notes will be issued at a price of 99.922% of the aggregate principal amount. The 2027 Notes will be issued at a price of 99.997% of the aggregate principal amount. The Notes will be guaranteed by certain subsidiaries of Expedia Group.

In light of attractive market conditions, the Company is opportunistically pursuing ways to optimize its capital structure and reduce its cost of capital. Expedia Group currently expects to use the net proceeds to redeem outstanding shares of its 9.5% Series A Preferred Stock after May 5, 2021, when the redemption premium is scheduled to decrease. Depending on business, liquidity and other trends or conditions, however, the Company may elect to use all or part of the proceeds for other general corporate purposes, which may include repaying, prepaying, redeeming or repurchasing other indebtedness in lieu of or pending such redemption. The private offering of the Notes is expected to close on July 14, 2020. The closing of the Notes offering is subject to customary closing conditions, and there can be no assurance that the issuance and sale of the Notes will be consummated.

The Notes will be offered and sold only to qualified institutional buyers pursuant to Rule 144A and outside the United States pursuant to Regulation S under the Securities Act of 1933, as amended (the “Securities Act”). The Notes have not been registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and applicable state laws.

This press release does not constitute an offer to sell or a solicitation of an offer to purchase the Notes or any other securities and does not constitute an offer, solicitation or sale in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful.
