**Item 1.01. Entry into a Material Definitive Agreement.***Issuance of Notes*

On September 19, 2019, Expedia Group, Inc., a Delaware corporation (the “Company”), completed its previously announced private placement of \$1.25 billion aggregate principal amount of 3.25% senior unsecured notes due February 2030 (the “Notes”). The Notes were issued pursuant to an indenture dated as of September 19, 2019 (the “Indenture”), by and among the Company, the subsidiary guarantors party thereto and U.S. Bank National Association, as trustee. The Notes will be offered and sold only to qualified institutional buyers in the United States pursuant to Rule 144A and outside the United States pursuant to Regulation S under the Securities Act of 1933, as amended (the “Securities Act”). The Notes have not been registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and applicable state laws.

The net proceeds from the sale of the Notes, after deducting estimated discounts and commissions and other offering expenses, were approximately \$1,231 million. The Company intends to use the net proceeds from the sale of the Notes for general corporate purposes, which may include, but are not limited to, (i) repayment, prepayment, redemption or repurchase of indebtedness of the Company or its consolidated subsidiaries (including the subsidiary guarantors) and (ii) working capital, capital expenditures and acquisitions. General corporate purposes may also include, without limitation, dividends, stock repurchases, investments and advances to or other investments in the Company’s subsidiaries.

The Notes are the Company’s senior unsecured obligations and will rank equally in right of payment with all of the Company’s existing and future unsecured and unsubordinated obligations. The Notes are fully and unconditionally guaranteed by the subsidiary guarantors, which include each domestic subsidiary of the Company that is a borrower under or guarantees the obligations under the Company’s existing credit agreement. So long as the guarantees are in effect, each subsidiary guarantor’s guarantee will be the senior unsecured obligation of such subsidiary guarantor and will rank equally in right of payment with all of such subsidiary guarantor’s existing and future unsecured and unsubordinated obligations. The Notes pay interest semiannually in arrears on February 15 and August 15 of each year, beginning on February 15, 2020, at a rate of 3.25% per year. The Notes will mature on February 15, 2030.

The Company may redeem some or all of the Notes at any time prior to November 15, 2029 by paying a “make-whole” premium plus accrued and unpaid interest, if any. The Company may redeem some or all of the Notes on or after November 15, 2029 at par plus accrued and unpaid interest, if any.

The Company is obligated to offer to repurchase the Notes at a price of 101% of their principal amount plus accrued and unpaid interest, if any, upon the occurrence of certain change of control triggering events, subject to certain qualifications and exceptions. The Indenture contains certain customary covenants (including covenants limiting the Company’s and the Company’s subsidiaries’ ability to create certain liens, enter into sale and lease-back transactions, and consolidate or merge with, or convey, transfer or lease all or substantially all assets to, another person) and events of default (subject in certain cases to customary exceptions, as well as grace and cure periods). The occurrence of an event of default under the Indenture could result in the acceleration of the Notes and could cause a cross-default that could result in the acceleration of other indebtedness of the Company and its subsidiaries.

The foregoing summary is qualified in its entirety by reference to the Indenture, which is filed as Exhibit 4.1 to this Current Report on Form 8-K and incorporated herein by reference.

*Registration Rights Agreement*

On September 19, 2019, the Company and the guarantors of the Notes entered into a registration rights agreement (the “Registration Rights Agreement”) with BofA Securities, Inc., J.P. Morgan Securities LLC and Goldman Sachs & Co. LLC, as representatives of the several initial purchasers of the Notes. Upon the terms and subject to the conditions of the Registration Rights Agreement, the Company agreed to use commercially reasonable best efforts to (i) file an exchange offer registration statement with respect to an offer to exchange the Notes and guarantees for substantially identical Notes and guarantees that are registered under the Securities Act (the “Exchange Offer”); (ii) cause the Exchange Offer registration statement to become effective; and (iii) consummate the Exchange Offer or, if required in lieu thereof, file a shelf registration statement and have it declared effective, in each case, within 365 days of issuance of the Notes. If the Company fails to satisfy certain of its obligations under the Registration Rights Agreement (a “Registration Default”), it will be required to pay additional interest of 0.25% per annum to the holders of the Notes until such Registration Default is cured. The foregoing summary is qualified in its entirety by reference to the Registration Rights Agreement, which is filed as Exhibit 4.2 to this Current Report on Form 8-K and incorporated herein by reference.

## ARTICLE II

### The Notes

SECTION 2.1. Form and Dating. Provisions relating to the Initial Notes and the Exchange Notes are set forth in the Rule 144A/Regulation S Appendix attached hereto (the “Appendix”), which is hereby incorporated in, and expressly made part of, this Indenture. The Initial Notes and the Trustee’s certificate of authentication shall be substantially in the form of Exhibit 1 to the Appendix which is hereby incorporated in, and expressly made a part of, this

---

Indenture. The Exchange Notes and the Trustee's certificate of authentication shall be substantially in the form of Exhibit A to the Appendix, which is hereby incorporated into and expressly made a part of this Indenture. The Notes may have notations, legends or endorsements required by law, stock exchange rule, agreements to which the Company is subject, if any, or usage (provided that any such notation, legend or endorsement is in a form acceptable to the Company). Each Note shall be dated the date of its authentication. The terms of the Notes set forth in each of the Appendix, Exhibit 1 and Exhibit A are part of the terms of this Indenture.

SECTION 2.2. Execution and Authentication. An Officer of the Company shall sign the Notes for the Company by manual or facsimile signature which may be imprinted or otherwise reproduced thereon.

If the Officer whose signature is on a Note no longer holds that office at the time the Trustee authenticates the Note, the Note shall be valid nevertheless.

A Note shall not be valid until an authorized signatory of the Trustee manually signs the certificate of authentication on the Note. The signature of the Trustee on a Note shall be conclusive evidence that such Note has been duly and validly authenticated under this Indenture.

On the Issue Date, the Trustee shall authenticate and deliver \$1,250,000,000 of 3.25% Senior Notes due 2030 and, at any time and from time to time thereafter, the Trustee shall authenticate and deliver Notes for original issue in an aggregate principal amount specified in such order, in each case upon a written order of the Company signed by an Officer of the Company. Such order shall specify the amount of the Notes to be authenticated and the date on which the original issue of Notes is to be authenticated.

The Trustee may appoint an authenticating agent reasonably acceptable to the Company to authenticate the Notes. Unless limited by the terms of such appointment, an authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

SECTION 2.3. Registrar and Paying Agent. The Company shall maintain an office or agency where Notes may be presented for registration of transfer or for exchange (the "Registrar") and an office or agency where Notes may be presented for payment (the "Paying Agent"). The Registrar shall keep a register of the Notes and of their transfer and exchange. The Company may have one or more additional paying agents. The term "Paying Agent" includes any such additional paying agent. The Company may change the Registrar or appoint one or more co-Registrars without notice.

In the event the Company shall retain any Person not a party to this Indenture as an agent hereunder, the Company shall enter into an appropriate agency agreement with any Registrar or Paying Agent not a party to this Indenture, which shall incorporate the terms of the Trust Indenture Act. The agreement shall implement the provisions of this Indenture that relate to such agent. The Company shall notify the Trustee of the name and address of each such

---

agent. If the Company fails to maintain a Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.7. The Company shall be responsible for the fees and compensations of all agents appointed or approved by it. Either the Company or any of its domestically incorporated wholly owned Subsidiaries may act as Paying Agent.

The Company initially appoints the Trustee as Registrar and Paying Agent for the Notes.

**SECTION 2.4. Paying Agent To Hold Money in Trust.** By no later than 11:00 a.m. (New York City time) on the date on which any principal, premium, if any, or interest (including any Additional Interest) on any Note is due and payable, the Company shall deposit with the Paying Agent a sum sufficient to pay such principal, premium, if any, or interest (including any Additional Interest) when due. The Company shall require each Paying Agent (other than the Trustee) to agree in writing that such Paying Agent shall hold in trust for the benefit of Noteholders or the Trustee all money held by such Paying Agent for the payment of principal of, premium, if any, or interest (including any Additional Interest) on the Notes, shall notify the Trustee in writing of any default by the Company in making any such payment and shall, during the continuance of any default by the Company (or any other obligor upon the Notes) in the making of any payment in respect of the Notes, upon the written request of the Trustee, forthwith pay to the Trustee all sums held in trust by such Paying Agent for payment in respect of the Notes. If either of the Company or any of its Subsidiaries acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Company at any time may require a Paying Agent (other than the Trustee) to pay all money held by it to the Trustee and to account for any funds disbursed by such Paying Agent. Upon complying with this Section 2.4, the Paying Agent (if other than the Company or a Subsidiary) shall have no further liability for the money delivered to the Trustee. Upon any bankruptcy, reorganization or similar proceeding with respect to the Company, the Trustee shall serve as Paying Agent for the Notes.

**SECTION 2.5. Noteholder Lists.** The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Noteholders. If the Trustee is not the Registrar, the Company shall cause the Registrar to furnish to the Trustee, in writing at least five Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Noteholders.

**SECTION 2.6. Transfer and Exchange.** The Notes shall be issued in registered form and shall be transferable only upon the surrender of a Note for registration of transfer. When a Note is presented to the Registrar or a co-registrar with a request to register a transfer, the Registrar shall register the transfer as requested if the requirements of this Indenture and Section 8-401(1) of the Uniform Commercial Code are met. When Notes are presented to the Registrar or a co-registrar with a request to exchange them for an equal principal amount of Notes of other denominations, the Registrar shall make the exchange as requested if the same requirements are met.

---

SECTION 2.7. Replacement Notes. If a mutilated Note is surrendered to the Registrar or if the Holder of a Note shall provide the Company and the Trustee with evidence to their satisfaction that the Note has been lost, destroyed or wrongfully taken, the Company shall issue and the Trustee shall authenticate a replacement Note if the requirements of Section 8-405 of the Uniform Commercial Code are met and the Holder satisfies any other reasonable requirements of the Trustee. In addition, such Holder shall furnish an indemnity or surety bond sufficient in the judgment of the Company and the Trustee to protect the Company, the Trustee, the Paying Agent and the Registrar from any loss which any of them may suffer if a Note is replaced. The Company and the Trustee may charge the Holder for their expenses in replacing a Note, including reasonable fees and expenses of counsel. Every replacement Note is an additional obligation of the Company.

SECTION 2.8. Outstanding Notes. Notes outstanding at any time are all Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section 2.8 as not outstanding. A Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note.

If a Note is replaced pursuant to Section 2.7, it ceases to be outstanding unless the Trustee and the Company receive proof satisfactory to them that the replaced Note is held by a protected purchaser (as defined in Section 8-303 of the Uniform Commercial Code).

If the Paying Agent segregates and holds in trust, in accordance with this Indenture, on a redemption date or maturity date money sufficient to pay all principal, premium, if any, and interest payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

SECTION 2.9. Temporary Notes. Until definitive Notes are ready for delivery, the Company may prepare and the Trustee shall authenticate and deliver temporary Notes. Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Company considers appropriate for temporary Notes. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate and deliver definitive Notes. After the preparation of definitive Notes, the temporary Notes shall be exchangeable for definitive Notes upon surrender of the temporary Notes at any office or agency maintained by the Company for that purpose and such exchange shall be without charge to the Holder. Upon surrender for cancellation of any one or more temporary Notes, the Company shall execute, and the Trustee shall authenticate and deliver in exchange therefor, one or more definitive Notes representing an equal principal amount of Notes. Until so exchanged, the Holder of temporary Notes shall in all respects be entitled to the same benefits under this Indenture as a Holder of definitive Notes.

SECTION 2.10. Cancellation. The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee for cancellation any Notes surrendered to them for registration of transfer or exchange or payment. The Trustee and no one else shall cancel (subject to the record retention requirements of the Exchange Act) all Notes surrendered for registration of transfer or exchange, payment or cancellation and, upon the request of the Company, deliver a certificate of such cancellation to the Company. The Company may not issue new Notes to replace Notes it has redeemed, paid or

---

delivered to the Trustee for cancellation, which shall not prohibit the Company from issuing any Additional Notes, or any Exchange Notes in exchange for Initial Notes. All cancelled Notes held by the Trustee may be disposed of by the Trustee in accordance with its then customary practices and procedures, unless the Company directs otherwise. The Trustee shall provide to the Company a list of all Notes that have been cancelled from time to time as requested in writing by the Company.

SECTION 2.11. Defaulted Interest. If the Company defaults in a payment of interest on the Notes, the Company shall pay defaulted interest plus interest on such defaulted interest to the extent lawful at the rate specified therefor in the Notes in any lawful manner. The Company may pay the defaulted interest to the Persons who are Noteholders on a subsequent special record date. The Company shall fix or cause to be fixed any such special record date and payment date to the reasonable satisfaction of the Trustee which specified record date shall not be less than 10 days prior to the payment date for such defaulted interest and shall promptly mail or electronically deliver or cause to be mailed or electronically delivered to each Noteholder a notice that states the special record date, the payment date and the amount of defaulted interest to be paid. The Company shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when so deposited to be held in trust for the benefit of the Person entitled to such defaulted interest as provided in this Section 2.11.

SECTION 2.12. CUSIP Numbers, ISINs, etc. The Company in issuing the Notes may use “CUSIP” numbers, ISINs and “Common Code” numbers (in each case, if then generally in use) and, if so, the Trustee shall use “CUSIP” numbers, ISINs and “Common Code” numbers in notices of redemption or exchange as a convenience to Holders; provided, however, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption or exchange and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption or exchange shall not be affected by any defect in or omission of such numbers. The Company shall advise the Trustee in writing of any change in any “CUSIP” numbers, ISINs or “Common Code” numbers applicable to the Notes.

SECTION 2.13. Issuance of Additional Notes. After the Issue Date, the Company shall, subject to compliance with the terms of this Indenture but without notice to or the consent of any Holders, be entitled to create and issue Additional Notes under this Indenture, which Notes shall have identical terms as, and rank equally and ratably with, the Initial Notes issued on the Issue Date or the Exchange Notes exchanged therefor, other than with respect to the date of issuance, issue price, the initial interest accrual date and amount of interest payable on the first payment date applicable thereto.

With respect to any Additional Notes, the Company shall set forth in a resolution of the Board of Directors of the Company and an Officers’ Certificate, a copy of each of which shall be delivered to the Trustee, the following information:

- (a) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Indenture;

---

(b) the issue price, the issue date, the initial interest accrual date and the CUSIP number of such Additional Notes, provided, however, that no Additional Notes may be issued with the same CUSIP number as the Notes previously issued under this Indenture if such Additional Notes are not fungible with such previously issued Notes for U.S. federal income tax purposes; and

(c) whether such Additional Notes shall be Initial Notes or shall be issued in the form of Exchange Notes as set forth in Exhibit A.

SECTION 2.14. One Class of Notes. The Initial Notes, any Additional Notes and the Exchange Notes shall vote and consent together on all matters (including for purposes of waivers and amendments) as one class; and none of the Initial Notes, any Additional Notes and the Exchange Notes shall have the right to vote or consent as a separate class on any matter. The Initial Notes, any Additional Notes and the Exchange Notes shall together be deemed to constitute a single class or series for all purposes under this Indenture (including for purposes of redemptions).

### ARTICLE III

#### Redemption

SECTION 3.1. Notices to Trustee. If the Company elects to redeem Notes pursuant to paragraph 5 of the Notes, it shall notify the Trustee in writing of the redemption date and the principal amount of Notes to be redeemed. In connection with any redemption pursuant to paragraph 5 of the Notes prior to November 15, 2029, the Company shall give the Trustee notice of the redemption price promptly after the calculation thereof and the Trustee shall have no responsibility for such calculation.

The Company shall give each notice to the Trustee provided for in this Section 3.1 at least 15 days before the redemption date unless the Trustee consents to a shorter period.

Such notice shall be accompanied by an Officers' Certificate from the Company to the effect that such redemption shall comply with the conditions herein.

SECTION 3.2. Selection of Notes to be Redeemed. If fewer than all the Notes then outstanding are to be redeemed, the Trustee shall select the Notes to be redeemed pro rata or by lot or by such other method as the Trustee shall deem fair and appropriate. The Trustee shall make the selection from outstanding Notes not previously called for redemption. Notes and portions thereof that the Trustee selects shall be in amounts of \$2,000 or integral multiples thereof. Provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. The Trustee shall promptly notify the Company of the Notes or portions of Notes to be redeemed. Notwithstanding the foregoing, if the Notes are represented by one or more Global Notes, interests in the Notes shall be selected for redemption by the Depository in accordance with its standard procedures therefor.

---

SECTION 3.3. Notice of Redemption. At least 15 days but not more than 60 days before a date for redemption of Notes, the Company shall mail by first-class mail or electronically deliver a notice of redemption to each Holder of Notes to be redeemed at its registered address.

The notice shall identify the Notes to be redeemed and shall state:

- (1) the aggregate amount of Notes to be redeemed;
- (2) the redemption date;
- (3) the redemption price (or the method of calculating such price) and the amount of accrued interest to be paid, if any;
- (4) the name and address of the Paying Agent;
- (5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price plus accrued and unpaid interest, if any;
- (6) if fewer than all the outstanding Notes are to be redeemed, the certificate number (if certificated) and principal amounts of the particular Notes to be redeemed;
- (7) that, unless the Company defaults in making such redemption payment, interest on Notes (or portion thereof) called for redemption ceases to accrue on and after the redemption date;
- (8) the CUSIP number, or any similar number, if any, printed on the Notes being redeemed; and
- (9) that no representation is made as to the correctness or accuracy of the CUSIP number, or any similar number, if any, listed in such notice or printed on the Notes.

At the Company's written request (which may be rescinded or revoked at any time prior to the time at which the Trustee shall have given such notice to the Holders), the Trustee shall give the notice of redemption in the name of the Company and at the Company's expense. In such event, the Company shall provide the Trustee with the information required by this Section 3.3 at least five Business Days prior to the date chosen for giving such notice to the Holders (unless the Trustee shall agree to a shorter period). The notice, if mailed or electronically delivered in the manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to give such notice by mail or electronic delivery or any defect in the notice to the Holder of any Note designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other Notes.

SECTION 3.4. Effect of Notice of Redemption. Once notice of redemption is mailed or electronically delivered in accordance with Section 3.3, Notes called for redemption

---

shall become due and payable on the redemption date and at the redemption price as stated in the notice. Upon surrender to the Paying Agent on or after the redemption date, such Notes shall be paid at the redemption price stated in the notice, plus accrued and unpaid interest to the redemption date; provided that the Company shall have deposited the redemption price with the Paying Agent or the Trustee on or before 11:00 a.m. (New York City time) on the date of redemption. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder. Noteholders of record on the relevant record date shall be entitled to receive interest due on an interest payment date occurring on or prior to a redemption date.

SECTION 3.5. Deposit of Redemption Price. By no later than 11:00 a.m. (New York City time) on the date of redemption, the Company shall deposit with the Paying Agent (or, if the Company or any of its Subsidiaries is the Paying Agent, shall segregate and hold in trust) an amount of money sufficient to pay the redemption price of and accrued and unpaid interest on all Notes to be redeemed on that date other than Notes or portions of Notes called for redemption which are owned by the Company or a Subsidiary and have been delivered by the Company or such Subsidiary to the Trustee for cancellation. All money, if any, earned on funds held by the Paying Agent shall be remitted to the Company. In addition, the Paying Agent shall promptly return to the Company any money deposited with the Paying Agent by the Company in excess of the amounts necessary to pay the redemption price of, and accrued interest, if any, on, all Notes to be redeemed.

Unless the Company defaults in the payment of such redemption price, interest on the Notes or portions of Notes to be redeemed shall cease to accrue on and after the applicable redemption date, whether or not such Notes are presented for payment.

SECTION 3.6. Notes Redeemed in Part. Upon surrender of a Note that is redeemed in part, the Company shall execute and the Trustee shall authenticate for the Holder thereof (at the Company's expense) a new Note, equal in principal amount to the unredeemed portion of the Note surrendered; provided that each new Note shall be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

## ARTICLE IV

### Covenants

SECTION 4.1. Payment of Notes. The Company covenants and agrees that it shall promptly pay the principal of, premium, if any, and interest (including Additional Interest) on the Notes on the dates and in the manner provided in the Notes and in this Indenture. Principal, premium, if any, and interest (including Additional Interest) shall be considered paid on the date due if, on or before 11:00 a.m. (New York City time) on such date, the Trustee or the Paying Agent (or, if the Company or any of its Subsidiaries is the Paying Agent, the segregated account or separate trust fund maintained by the Company or such Subsidiary pursuant to Section 2.4) holds in accordance with this Indenture money sufficient to pay all principal, premium, if any, and interest (including Additional Interest) then due. If any Additional Interest is due, the Company shall deliver an Officers' Certificate to the Trustee setting forth the Additional Interest per \$1,000 aggregate principal amount of Notes and the date from which such Additional Interest shall accrue. The Company shall also deliver an Officers' Certificate to the Trustee setting forth the date after which such Additional Interest shall cease accruing.

---

The Company shall pay interest on overdue principal at the rate specified therefor in the Notes, and it shall pay interest on overdue installments of interest at the same rate to the extent lawful as provided in Section 2.11.

Notwithstanding anything to the contrary contained in this Indenture, the Company or the Paying Agent may, to the extent it is required to do so by law, deduct or withhold income or other similar taxes imposed by the United States of America or other domestic or foreign taxing authorities from principal, premium, if any, or interest payments hereunder.

SECTION 4.2. Limitations on Liens. (a) So long as any Notes remain outstanding, the Company will not, directly or indirectly, incur, and will not permit any of its Subsidiaries to, directly or indirectly, incur, any Indebtedness secured by a Lien upon any property or assets (including Capital Stock) of the Company, or any of its Subsidiaries or upon any shares of stock or Indebtedness of any of its Subsidiaries (whether such property, assets, shares of stock or Indebtedness are now existing or owned or hereafter created or acquired) without in any such case effectively providing, concurrently with or prior to the incurrence of any such secured Indebtedness, or the grant of a Lien with respect to any such Indebtedness to be so secured, that the Notes or, in respect of Liens on the property or assets of any Subsidiary Guarantor, the Guarantee of such Subsidiary Guarantor (together with, if the Company shall so determine, any other Indebtedness of or guarantee by the Company, the Subsidiary Guarantors or any of their respective Subsidiaries ranking equally in right of payment with the Notes or the Guarantee) shall be secured equally and ratably with (or, at the Company's option, prior to) such Indebtedness to be so secured; provided, however, that the foregoing restrictions shall not apply to:

(1) Liens on property, shares of stock or Indebtedness of any Person existing at the time such Person becomes a Subsidiary of the Company, provided that such Lien was not incurred in anticipation of such Person becoming a Subsidiary;

(2) Liens on property, shares of stock or Indebtedness existing at the time of acquisition thereof by the Company or a Subsidiary of the Company or any of its Subsidiaries (which may include property previously leased by the Company or any of its Subsidiaries and leasehold interests on such property; provided that the lease terminates prior to or upon the acquisition) or Liens on property, shares of stock or Indebtedness to secure the payment of all or any part of the purchase price thereof, or Liens on property, shares of stock or Indebtedness to secure any Indebtedness for borrowed money incurred prior to, at the time of, or within 18 months after, the latest of the acquisition thereof, or, in the case of property, the completion of construction, the completion of improvements or the commencement of substantial commercial operation of such property for the purpose of financing all or any part of the purchase price thereof, such construction or the making of such improvements;

---

(3) Liens securing Indebtedness of any of the Company's Subsidiaries or of the Company owing to the Company or any of its Subsidiaries;

(4) Liens existing on the Issue Date;

(5) Liens on property or assets of a Person existing at the time such Person is merged into or consolidated with the Company or any of its Subsidiaries, at the time such Person becomes a Subsidiary of the Company or at the time of a sale, lease or other disposition of all or substantially all of the properties or assets of a Person to the Company or any of its Subsidiaries; provided that such Lien was not incurred in anticipation of such merger, consolidation, or sale, lease or other disposition or other transaction;

(6) Liens created in connection with a project financed with, and created to secure, a Nonrecourse Obligation;

(7) Liens securing all of the Notes or the Guarantees; or

(8) any extension, renewal or replacement (or successive extensions, renewals or replacements), in whole or in part, of any Lien referred to in the foregoing clauses (1) to (7), inclusive, without increase of the principal of the Indebtedness secured thereby; provided, however, that any Liens permitted by any of the foregoing clauses (1) to (7), inclusive, shall not extend to or cover any property of the Company or any of its Subsidiaries, as the case may be, other than the property specified in such clauses and improvements thereto.

(b) Notwithstanding the foregoing provisions of this Section 4.2, the Company and its Subsidiaries may incur Indebtedness secured by Liens which would otherwise be subject to the foregoing restrictions without equally and ratably securing the Notes, or in respect of Liens on any Subsidiary Guarantor's property or assets, the Guarantee of such Subsidiary Guarantor; provided that after giving effect thereto, the aggregate amount of all Indebtedness so secured by Liens (not including Liens permitted under clauses (1) through (8) of Section 4.2(a)), together with all Attributable Debt outstanding pursuant to Section 4.3(b) does not at the time exceed 10% of the Consolidated Net Assets of the Company.

SECTION 4.3. Limitation on Sale and Lease-Back Transactions. (a) The Company shall not directly or indirectly, and shall not permit any of its Subsidiaries directly or indirectly to, enter into any sale and lease-back transaction for the sale and leasing back of any property, whether now owned or hereafter acquired, unless:

(1) such transaction was entered into prior to the Issue Date;

(2) such transaction was for the sale and leasing back to the Company of any property by one of the Company's Subsidiaries;

---

(3) such transaction involves a lease for not more than three years (or which may be terminated by the Company or such Subsidiary within a period of not more than three years);

(4) the Company or such Subsidiary would be entitled to incur Indebtedness secured by a Lien with respect to such sale and lease-back transaction without equally and ratably securing the Notes and the Guarantees pursuant to clauses (1) through (8) of Section 4.2(a); or

(5) the Company or any Subsidiary of the Company applies an amount equal to the net proceeds from the sale of such property to the purchase of other property or assets used or useful in the business of the Company or of any of its Subsidiaries or to the retirement of long-term Indebtedness within 270 days before or after the effective date of any such sale and lease-back transaction; provided that, in lieu of applying such amount to the retirement of long-term indebtedness, the Company may deliver Notes to the Trustee for cancellation, such Notes to be credited at the cost thereof to the Company.

(b) Notwithstanding the restrictions set forth in Section 4.3(a), the Company and its Subsidiaries may enter into any sale and lease-back transaction which would otherwise be subject to the foregoing restrictions, if after giving effect thereto the aggregate amount of all Attributable Debt outstanding with respect to such transactions, together with all Indebtedness outstanding pursuant to Section 4.2(b), does not at the time exceed 10% of the Consolidated Net Assets of the Company.

SECTION 4.4. Compliance Certificate. The Company shall deliver to the Trustee, within 120 days after the end of each fiscal year of the Company ending after the date hereof, an Officers' Certificate signed by its principal executive officer, principal financial officer or principal accounting officer, which Officers' Certificate shall comply with the provisions of Section 314 of the Trust Indenture Act, stating whether or not to the knowledge of the signers thereof any Default in the performance and observance of any of the terms, provisions and conditions of this Indenture (without regard to any period of grace or requirement of notice provided hereunder) occurred during the previous fiscal year, specifying all such Defaults and the nature and status thereof of which they may have knowledge.

SECTION 4.5. Maintenance of Office or Agency. The Company shall maintain the office or agency required under Section 2.3. The Company shall give prior written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the address of the Trustee set forth in Section 11.2.

SECTION 4.6. Existence. Except as otherwise permitted by Article V, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect its existence as a corporation or other Person.

---

SECTION 4.7. SEC Reports. The Company shall comply with all the applicable provisions of Section 314(a) of the Trust Indenture Act. Delivery of information, documents or reports to the Trustee pursuant to such provisions is for informational purposes only, and the Trustee's receipt thereof shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of the covenants hereunder (as to which the Trustee is entitled to rely exclusively on the Officers' Certificate).

SECTION 4.8. Change of Control Triggering Event. (a) Upon the occurrence of a Change of Control Triggering Event, unless the Company has mailed or electronically delivered, or has caused to be mailed or electronically delivered, a notice of redemption pursuant to paragraph 5 of the Notes with respect to all outstanding Notes and redeems all Notes validly tendered pursuant to such notice of redemption, each Holder shall have the right to require the Company to repurchase such Holder's Notes, in whole or in part, at a purchase price in cash equal to 101% of the principal amount thereof on the date of purchase, plus accrued and unpaid interest, if any, on the Notes repurchased to the date of such purchase (subject to the right of Noteholders of record on the relevant record date to receive interest due on an interest payment date occurring on or prior to the date of such purchase), in accordance with the terms set forth in this Section 4.8.

(b) Within 30 days following any Change of Control Triggering Event, unless the Company has previously or concurrently mailed or electronically delivered a redemption notice with respect to all outstanding Notes pursuant to paragraph 5 of the Notes, the Company shall mail by first-class mail, or electronically deliver if the Notes are held by the Depository, a notice to each Holder with a copy to the Trustee (the "Change of Control Offer") stating:

(1) that a Change of Control Triggering Event has occurred and that such Holder has the right to require the Company to purchase such Holder's Notes at a purchase price in cash equal to 101% of the principal amount thereof on the date of purchase, plus accrued and unpaid interest, if any, to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on an interest payment date occurring on or prior to the date of purchase);

(2) the circumstances and relevant facts regarding such Change of Control Triggering Event;

(3) the purchase date, which shall be no earlier than 30 days and no later than 60 days from the date such notice is mailed or electronically delivered, except in the case of a conditional Change of Control Offer made in advance of a Change of Control Triggering Event pursuant to Section 4.8(f), which, in the Company's discretion, may provide that the purchase date shall be delayed until a date that is no later than 90 days after the occurrence of the Change of Control Triggering Event;

(4) if the notice is mailed or electronically delivered prior to a Change of Control Triggering Event, that the Change of Control Offer is conditioned on the Change of Control Triggering Event occurring; and

---

(5) the instructions, as determined by the Company, consistent with this Section 4.8, that the Holder must follow in order to have that Holder's Notes purchased.

(c) Holders electing to have a Note purchased will be required to surrender the Note, with an appropriate form duly completed, to the Company at the address specified in the notice at least three Business Days prior to the purchase date. Holders will be entitled to withdraw their election if the Trustee or the Company receives not later than one Business Day prior to the purchase date, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note which was delivered for purchase by the Holder and a statement that such Holder is withdrawing his election to have such Note purchased.

(d) On the purchase date, all Notes purchased by the Company under this Section 4.8 shall be delivered by the Company to the Trustee for cancellation, and the Company shall pay the purchase price plus accrued and unpaid interest, if any, to the Holders entitled thereto.

(e) Notwithstanding the foregoing provisions of this Section 4.8, the Company shall not be required to make a Change of Control Offer following a Change of Control Triggering Event if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.8 applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

(f) A Change of Control Offer may be made in advance of a Change of Control Triggering Event, and may be conditional upon the occurrence of such Change of Control Triggering Event, if a definitive agreement is in place for the Change of Control at the time of the making of the Change of Control Offer.

(g) The Company shall comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Section 4.8. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.8 by virtue of its compliance with such securities laws or regulations.

ARTICLE V

Consolidation, Merger and Sale of Assets

SECTION 5.1. When the Company or a Subsidiary Guarantor May Merge or Transfer Assets. Neither the Company nor any Subsidiary Guarantor may consolidate with or sell, lease or convey all or substantially all of its properties or assets to, or merge with or into, in one transaction or a series of related transactions, any other Person, unless:

(a) the Company, or in the case of a Subsidiary Guarantor, such Subsidiary Guarantor, shall be the continuing Person, or the successor Person formed by or resulting from such consolidation or merger or the Person which receives the transfer of such properties or assets (the "Successor") shall be a Person organized and existing under the laws of the United States of America or any State or jurisdiction thereof and the Successor (if not the Company or such Subsidiary Guarantor, as the case may be) shall expressly assume, by supplemental indenture, executed and delivered to the Trustee, in form reasonably satisfactory to the Trustee, all the obligations of the Company or such Subsidiary Guarantor, as the case may be, under the Notes, this Indenture and any Guarantee, as applicable (provided that such Successor shall not be required to assume the obligations of any such Subsidiary Guarantor if (I) such Successor is already a Subsidiary Guarantor or (II) such Successor would not, after giving effect to such transaction, be required to guarantee the Notes under the provisions of Article X);

(b) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing; and

(c) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger, conveyance, sale or lease and such supplemental indenture (if any) comply with clauses (a) and (b) above (except that such Opinion of Counsel need not opine as to clause (b) above).

SECTION 5.2. Successor Corporation Substituted. The Successor will succeed to, and be substituted for, and may exercise every right and power of, the Company or such Subsidiary Guarantor under this Indenture. The Company or such Subsidiary Guarantor shall be relieved of all obligations and covenants under the Notes, the Guarantees, if any, and this Indenture to the extent the Company or such Subsidiary Guarantor was the predecessor Person; provided, that in the case of a lease of all or substantially all of the Company's properties or assets, the Company will not be released from the obligation to pay the principal of, premium, if any, and interest on the Notes. Notwithstanding any provision to the contrary, the restrictions contained in this Article V shall not apply to any merger or consolidation of a Subsidiary Guarantor into, or any sale, lease or conveyance of assets by a Subsidiary Guarantor to, the Company or any other Subsidiary Guarantor or to any Subsidiary Guarantor upon any termination of the Guarantee of that Subsidiary Guarantor in accordance with this Indenture.

ARTICLE VI

Defaults and Remedies

SECTION 6.1. Events of Default. An “Event of Default” occurs with respect to the Notes if:

- (1) there is a default in any payment of interest (including Additional Interest) on any Note when the same becomes due and payable, and such default continues for 30 days;
- (2) there is a default in the payment of the principal or premium, if any, of any Note when the same becomes due and payable at its Stated Maturity, upon optional redemption or otherwise;
- (3) the Company or any Subsidiary Guarantor fails to comply with any of its agreements in the Notes or this Indenture (other than those referred to in clauses (1) or (2) above) and such failure continues for 90 days after the notice specified below;
- (4) there is a failure to make any payment at maturity, including any applicable grace period, in respect of Indebtedness of the Company or any of its Subsidiaries (other than Indebtedness of the Company or any of its Subsidiaries owing to the Company or any of its Subsidiaries) in an amount in excess of \$35,000,000 or the equivalent thereof in any other currency or composite currency and such failure shall have continued for 30 days after the notice specified below; provided, however, that if any such failure shall cease, or be cured, waived, rescinded or annulled, then the Event of Default by reason thereof shall be deemed likewise to have been cured;
- (5) there is a default with respect to any Indebtedness of the Company or any of its Subsidiaries (other than Indebtedness of the Company or of any of its Subsidiaries owing to the Company or any of its Subsidiaries), which default results in the acceleration of such Indebtedness in an amount in excess of \$35,000,000 or the equivalent thereof in any other currency or composite currency without such Indebtedness having been discharged or such acceleration having been cured, waived, rescinded or annulled for a period of 30 days after the notice specified below; provided, however, that if any such default or acceleration shall be cured, waived, rescinded or annulled, then the Event of Default by reason thereof shall be deemed likewise to have been cured;
- (6) the Company or any Subsidiary Guarantor pursuant to or within the meaning of any Bankruptcy Law:
  - (A) commences a voluntary case;
  - (B) consents to the entry of an order for relief against it in an involuntary case in which it is the debtor;

---

(C) consents to the appointment of a Custodian of it or for any substantial part of its property; or

(D) makes a general assignment for the benefit of its creditors;

or takes any comparable action under any foreign laws relating to insolvency;

(7) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against the Company or any Subsidiary Guarantor in an involuntary case;

(B) appoints a Custodian of the Company or for any substantial part of the property of the Company or any Subsidiary Guarantor; or

(C) orders the winding up or liquidation of the Company or any Subsidiary Guarantor;

(or any similar relief is granted under any foreign laws) and the order, decree or relief remains unstayed and in effect for 60 consecutive days; or

(8) the Guarantee of any Subsidiary Guarantor ceases to be in full force and effect during its term or such Subsidiary Guarantor denies or disaffirms in writing its obligations under the terms of this Indenture or its Guarantee, in each case, other than any such cessation, denial or disaffirmation in connection with the termination of such Guarantee pursuant to the provisions of Article X.

The foregoing will constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

The term "Bankruptcy Law" means Title 11, United States Code, or any similar Federal or state law for the relief of debtors. The term "Custodian" means any receiver, trustee, assignee, liquidator, custodian or similar official under any Bankruptcy Law.

A Default with respect to Notes under clauses (3), (4) or (5) of this Section 6.1 is not an Event of Default until the Trustee (by notice to the Company) or the Holders of at least 25% in aggregate principal amount of the outstanding Notes (by notice to the Company and to the Trustee) gives notice of the Default and the Company does not cure such Default within the time specified in said clause (3), (4) or (5) after receipt of such notice. Such notice must specify the Default, demand that it be remedied and state that such notice is a "Notice of Default".

The Company shall deliver to the Trustee, within 30 days after the occurrence thereof, written notice in the form of an Officers' Certificate of any event which with the giving of notice or the lapse of time would become an Event of Default, its status and what action the Company is taking or proposes to take with respect thereto.

---

SECTION 6.2. Acceleration. If an Event of Default with respect to the Notes (other than an Event of Default specified in Section 6.1(6) or 6.1(7) with respect to the Company) occurs and is continuing, the Trustee by notice to the Company, or the Holders of at least 25% in aggregate principal amount of the outstanding Notes by notice to the Company and the Trustee, may, and the Trustee at the request of such Holders, shall, declare the principal of, premium, if any, and accrued and unpaid interest on all the Notes to be due and payable. Upon such a declaration, such principal, premium, if any, and accrued and unpaid interest shall be due and payable immediately. If an Event of Default specified in Section 6.1(6) or 6.1(7) with respect to the Company occurs and is continuing, the principal of, premium, if any, and accrued and unpaid interest on all the Notes shall *ipso facto* become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. The Holders of a majority in aggregate principal amount of the outstanding Notes by notice to the Trustee may rescind an acceleration and its consequences if all existing Events of Default have been cured or waived except nonpayment of principal, premium, if any, or interest that has become due solely because of such acceleration. No such rescission shall affect any subsequent Default or impair any right consequent thereto.

SECTION 6.3. Other Remedies. If an Event of Default with respect to the Notes occurs and is continuing, the Trustee may in its discretion proceed to collect the payment of principal of, premium, if any, or interest on the Notes or to collect such monies or protect and enforce its rights and the rights of the Holders of the Notes by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Noteholder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are, to the extent permitted by law, cumulative.

SECTION 6.4. Waiver of Past Defaults. The Holders of no less than a majority in aggregate principal amount of the Notes then outstanding by notice to the Trustee may, on behalf of the Holders of the Notes, waive any past or existing Default or Event of Default and its consequences except (1) a Default or Event of Default in the payment of the principal of, premium, if any, or interest on a Note or (2) a Default or Event of Default in respect of a provision that under Section 9.2 cannot be amended without the consent of each Noteholder affected. When a Default or Event of Default is waived, such Default or Event of Default shall cease to exist, and any Default or Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any consequent right.

SECTION 6.5. Control by Majority. Upon provision of security or indemnity satisfactory to the Trustee, the Holders of a majority in aggregate principal amount of the Notes then outstanding may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee with respect to the Notes or of exercising any trust or power

---

conferred on the Trustee. However, the Trustee, which may conclusively rely on opinions of counsel, may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of other Noteholders or would involve the Trustee in personal liability; provided, however, that the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction (it being understood that the Trustee shall not have an affirmative duty to ascertain whether or not any actions or forbearances taken or suffered in accordance with such direction are unduly prejudicial to Noteholders not joining in such direction).

SECTION 6.6. Limitation on Suits. A Holder of Notes may not pursue any remedy with respect to this Indenture or the Notes unless:

- (i) An Event of Default shall have occurred and be continuing and the Holder gives to the Trustee prior written notice stating that an Event of Default is continuing;
- (ii) the Holders of at least 25% in aggregate principal amount of the Notes then outstanding make a written request to the Trustee to pursue the remedy;
- (iii) such Holder or Holders offer to the Trustee security or indemnity satisfactory to it against any costs, liabilities or expenses in compliance with such request;
- (iv) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of security or indemnity; and
- (v) the Holders of a majority in aggregate principal amount of the Notes then outstanding do not give the Trustee a direction inconsistent with the request during such 60-day period.

A Noteholder may not use this Indenture to prejudice the rights of another Noteholder or to obtain a preference or priority over another Noteholder.

SECTION 6.7. Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of, premium, if any, and interest on the Notes held by such Holder, on or after the respective due dates expressed or provided for in the Notes, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

SECTION 6.8. Collection Suit by Trustee. If an Event of Default specified in Section 6.1(1) or (2) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.7.

SECTION 6.9. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Noteholders allowed

---

in any judicial proceedings relative to the Company, its creditors or any other obligor upon the Notes, or any of their creditors or the property of the Company or such other obligor or their creditors and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.7.

SECTION 6.10. Priorities. Any money or other property collected by the Trustee pursuant to Article VI hereof, or any money or other property otherwise distributable in respect of the Company's obligations under this Indenture, shall be applied in the following order:

FIRST: to the Trustee (including any predecessor Trustee) for amounts due under Section 7.7;

SECOND: to Noteholders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and

THIRD: to the Company.

The Trustee may, upon prior written notice to the Company, fix a record date and payment date for any payment to Noteholders pursuant to this Section 6.10. At least 15 days before such record date, the Company shall mail or electronically deliver to each Noteholder and the Trustee a notice that states the record date, the payment date and amount to be paid.

SECTION 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.7 or a suit by Holders of more than 10% in aggregate principal amount of the outstanding Notes.

SECTION 6.12. Waiver of Stay or Extension Laws. The Company (to the extent it may lawfully do so) shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE VII

Trustee

SECTION 7.1. Duties of Trustee. (a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee (it being understood that permissive rights granted to the Trustee shall not be construed as duties of the Trustee); and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon Officers' Certificates and Opinions of Counsel furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such Officers' Certificates and Opinions of Counsel which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine such Officers' Certificates and Opinions of Counsel to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) this subsection does not limit the effect of subsections (b) or (f) of this Section 7.1;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.5.

(d) Every provision of this Indenture that in any way relates to the Trustee is subject to subsections (a), (b), (c) and (f) of this Section 7.1.

(e) The Trustee shall not be liable for interest on any money or other property received by it or for holding moneys or other property uninvested, in either case, except as otherwise agreed between the Company and the Trustee. Money and other property held in trust by the Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated from other money or property except to the extent required by law.

---

(f) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any liability, financial or otherwise, in the performance of any of its duties hereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(g) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 7.1 and to the provisions of the Trust Indenture Act, where applicable.

SECTION 7.2. Rights of Trustee. (a) The Trustee may conclusively rely on, and shall be protected in acting or refraining from acting in reliance on, any document believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel, or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on the Officers' Certificate or Opinion of Counsel.

(c) The Trustee may execute any of the trusts or powers or perform any duties hereunder either directly or through attorneys and agents, respectively, and shall not be responsible for the misconduct or negligence of any attorney or agent appointed with due care by it hereunder.

(d) The Trustee shall not be liable for any action it takes, suffers to exist or omits to take in good faith which it believes to be authorized or within its rights or powers; provided, however, that the Trustee's conduct does not constitute willful misconduct or negligence.

(e) The Trustee may consult with counsel of its selection, and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Notes shall be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder in good faith and in reliance thereon.

(f) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to it against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction.

(g) The Trustee shall not be charged with knowledge of any Default or Event of Default with respect to the Notes unless either (1) a Trust Officer shall have actual knowledge of such Default or Event of Default or (2) written notice of such Default or Event of Default shall have been given to a Trust Officer of the Trustee at the Corporate Trust Office by the Company or any other obligor on the Notes or by any Holder of the Notes. Any such notice shall reference this Indenture and the Notes.

---

(h) The rights, privileges, protections, immunities and benefits given to the Trustee pursuant to this Indenture, including its rights to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder.

(i) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further reasonable inquiry or reasonable investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled, upon reasonable notice and at reasonable times, to examine the books, records and premises of the Company, personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(j) The Trustee may request that the Company deliver a certificate, substantially in the form of Exhibit B hereto, setting forth the names of individuals and/or titles of Officers authorized at such time to take specified actions pursuant to this Indenture.

(k) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

SECTION 7.3. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company with the same rights it would have if it were not Trustee. Any Paying Agent, Registrar or co-paying agent may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11.

SECTION 7.4. Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes, and it shall not be responsible for any statement of the Company in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee's certificate of authentication.

SECTION 7.5. Notice of Defaults. If a Default or an Event of Default occurs with respect to the Notes and is continuing and if it is actually known to the Trustee, the Trustee shall mail or electronically deliver to each Noteholder notice of the Default within 90 days after it is known to a Trust Officer or written notice of it is received by a Trust Officer of the Trustee. Except in the case of a Default in payment of principal of, premium, if any, or interest on any Note, the Trustee may withhold notice if and so long as a committee of its Trust Officers in good faith determines that withholding notice is not opposed to the interests of Noteholders.

SECTION 7.6. Reports by Trustee to Holders. As promptly as practicable after each January 15 beginning with the January 15 following the date of this Indenture, and in any

---

event prior to March 15 in each year, the Trustee shall mail or electronically deliver to each Noteholder a brief report dated as of such January 15 that complies with Section 313(a) of the Trust Indenture Act if required by such Section 313(a). The Trustee also shall comply with Section 313(b) of the Trust Indenture Act. The Trustee shall promptly deliver to the Company a copy of any report it delivers to Holders pursuant to this Section 7.6.

A copy of each report at the time of its mailing or electronic delivery to Noteholders shall be filed by the Trustee with the SEC and each stock exchange (if any) on which the Notes are listed. The Company agrees to notify promptly the Trustee in writing whenever the Notes become listed on any stock exchange and of any delisting thereof.

SECTION 7.7. Compensation and Indemnity. Each of the Company and each Subsidiary Guarantor, jointly and severally, covenants and agrees to pay to the Trustee (and any predecessor Trustee) from time to time such reasonable compensation for its services as the Company and the Trustee shall from time to time agree in writing. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee upon request for all reasonable out-of-pocket expenses (including attorneys' fees and expenses), disbursements and advances incurred or made by it in accordance with the provisions of this Indenture, including costs of collection, in addition to such compensation for its services, except any such expense, disbursement or advance as shall be determined to have been caused by its own negligence or willful misconduct. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Trustee's agents and counsel. The Trustee shall provide the Company reasonable notice of any expenditure not in the ordinary course of business. The Company shall indemnify each of the Trustee, its officers, directors, employees and any predecessor Trustees against any and all loss, damage, claim, liability or expense (including reasonable attorneys' fees and expenses) (other than taxes applicable to the Trustee's compensation hereunder) incurred by it in connection with the acceptance or administration of this trust and the performance of its duties hereunder. The Trustee shall notify the Company promptly of any claim of which a Trust Officer has received written notice and for which it may seek indemnity. Failure by the Trustee so to notify the Company shall not relieve the Company of its obligations hereunder, except to the extent that the Company has been prejudiced by such failure. The Company shall defend the claim and the Trustee shall cooperate, to the extent reasonable, in the defense of any such claim, and, if (in the opinion of counsel to the Trustee) the facts or issues surrounding the claim are reasonably likely to create a conflict with the Company, the Company shall pay the reasonable fees and expenses of separate counsel to the Trustee. The Company need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct or negligence. The Company need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld or delayed.

To secure the Company's payment obligations under this Section 7.7, the Trustee (including any predecessor trustee) shall have a lien prior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of, premium, if any, and interest on particular Notes.

The Company's payment obligations pursuant to this Section 7.7 shall survive the satisfaction, discharge and termination of this Indenture, the resignation or removal of the

---

Trustee and any discharge of this Indenture including any discharge under any Bankruptcy Law. In addition to and without prejudice to the rights provided to the Trustee under applicable law or any of the provisions of this Indenture, when the Trustee incurs expenses or renders services after the occurrence of a Default specified in Section 6.1(6) or (7) with respect to the Company, the expenses and the compensation for the services are intended to constitute expenses of administration under the Bankruptcy Law.

SECTION 7.8. Replacement of Trustee. The Trustee may resign at any time upon 30 days' written notice to the Company. The Holders of a majority in principal amount of the Notes then outstanding may remove the Trustee upon 30 days' written notice to the Trustee and may appoint a successor Trustee, which successor Trustee shall be reasonably acceptable to the Company. The Company shall remove the Trustee if:

- (i) the Trustee fails to comply with Section 7.10;
- (ii) the Trustee is adjudged bankrupt or insolvent;
- (iii) a receiver or other public officer takes charge of the Trustee or its property; or
- (iv) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns, is removed by the Company or by the Holders of a majority in principal amount of the Notes and such Holders do not reasonably promptly appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Company shall promptly appoint a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company and the Company shall pay all amounts due and owing to the Trustee under Section 7.7 of this Indenture. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail or electronically deliver a notice of its succession to Noteholders affected by such resignation or removal. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.7.

If a successor Trustee does not take office with respect to the Notes within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of 10% in principal amount of the Notes may petition at the expense of the Company any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.10, any Noteholder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding the replacement of the Trustee pursuant to this Section 7.8, the Company's obligations under Section 7.7 shall continue for the benefit of the retiring Trustee.

---

SECTION 7.9. Successor Trustee by Merger. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation or banking association without any further act shall be the successor Trustee; provided that such corporation or banking association shall be otherwise qualified and eligible under this Article VII and Section 310(a) of the Trust Indenture Act, without the execution or filing of any paper or any further act on the part of the parties hereto.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have.

SECTION 7.10. Eligibility; Disqualification. The Trustee shall at all times satisfy the requirements of Section 310(a) of the Trust Indenture Act. The Trustee shall have a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition. The Trustee shall comply with Section 310(b) of the Trust Indenture Act; provided, however, that there shall be excluded from the operation of Section 310(b)(1) of the Trust Indenture Act (a) any indenture or indentures under which other securities or certificates of interest or participation in other securities of the Company are outstanding if the requirements for such exclusion set forth in Section 310(b)(1) of the Trust Indenture Act are met and (b) the following indentures: the Indenture dated as of August 5, 2010, among the Company, the subsidiary guarantors from time to time party thereto and The Bank of New York Mellon Trust Company, N.A. (and the 5.95% Senior Notes due 2020 issued thereunder); the Indenture dated as of August 18, 2014, among the Company, the subsidiary guarantors from time to time party thereto and the The Bank of New York Mellon Trust Company, N.A. (and the 4.500% Senior Notes due 2024 and the 2.500% Senior Notes due 2022 issued thereunder); the Indenture dated as of December 8, 2015, among the Company, the subsidiary guarantors from time to time party thereto and The Bank of New York Mellon Trust Company, N.A. (and the 5.000% Senior Notes due 2026 issued thereunder); the Indenture dated as of September 21, 2017, among the Company, the subsidiary guarantors from time to time party thereto and U.S. Bank National Association (and the 3.800% Senior Notes due 2028 issued thereunder) and the Indenture, dated as of March 31, 2014, between the Company (as successor to HomeAway, Inc.) and U.S. Bank National Association (and the 0.125% Convertible Senior Notes due 2019 issued thereunder).

Nothing herein shall prevent the Trustee from filing with the SEC the application referred to in the second to last paragraph of Section 310(b) of the Trust Indenture Act.

SECTION 7.11. Preferential Collection of Claims Against the Company. The Trustee shall comply with Section 311(a) of the Trust Indenture Act, excluding any creditor relationship listed in Section 311(b) of the Trust Indenture Act. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the Trust Indenture Act to the extent indicated.

ARTICLE VIII

Discharge of Indenture: Defeasance

SECTION 8.1. Discharge of Liability on Notes: Defeasance. (a) With respect to the Notes, when (i) the Company delivers to the Trustee all outstanding Notes that have not already been delivered to the Trustee for cancellation or (ii) (A) all outstanding Notes have become due and payable, whether at maturity, as a result of repayment at the option of the Holders or as a result of the mailing or electronic delivery of a notice of redemption pursuant to Article III hereof or (B) the Notes shall become due and payable at their Stated Maturity within one year, or the Notes are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company, and, in each case of this clause (ii), the Company irrevocably deposits or causes to be deposited with the Trustee, in trust, funds in U.S. dollars in an amount sufficient, or U.S. Government Obligations, which through the scheduled payment of principal of and interest thereon will be sufficient, or a combination thereof sufficient, without reinvestment, in the written opinion of a nationally recognized firm of independent accountants (which need not be provided if only U.S. dollars shall have been deposited), to pay at maturity or upon redemption all outstanding Notes, including interest thereon to maturity or such redemption date, and if in the case of either clause (i) or (ii) the Company pays all other sums payable hereunder by the Company, then this Indenture shall, subject to Section 8.1(c), cease to be of further effect. The Trustee shall acknowledge satisfaction and discharge of this Indenture on demand of the Company accompanied by an Officers' Certificate from the Company and an Opinion of Counsel from the Company that all conditions precedent provided herein relating to satisfaction and discharge of this Indenture have been complied with.

(b) Subject to Sections 8.1(c) and 8.2, the Company at any time may terminate (i) all of its obligations under the Notes and this Indenture ("legal defeasance option") or (ii) its obligations under Section 4.2, Section 4.3 and Section 4.8 and the operation of Sections 6.1(3), 6.1(4), 6.1(5) and 6.1(8) ("covenant defeasance option"). The Company may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option.

If the Company exercises its legal defeasance option with respect to the Notes, payment of the Notes may not be accelerated because of an Event of Default. If the Company exercises its covenant defeasance option, payment of the Notes may not be accelerated because of an Event of Default specified in Sections 6.1(3), 6.1(4), 6.1(5) or 6.1(8).

Upon satisfaction of the conditions set forth herein and upon request of the Company, the Trustee shall acknowledge in writing the discharge of those obligations that the Company terminates.

(c) Notwithstanding clause (a) above or the exercise of a legal defeasance option, the Company's obligations in Sections 2.3, 2.4, 2.5, 2.6, 2.7, 4.1, 4.4, 4.5, 4.6, 7.7, 7.8,

---

8.4, 8.5 and 8.6 shall survive until the Notes have been paid in full. Thereafter, the Company's and the Trustee's obligations in Sections 7.7, 8.4 and 8.5 shall survive such satisfaction and discharge.

SECTION 8.2. Conditions to Defeasance. The Company may exercise its legal defeasance option or its covenant defeasance option with respect to the Notes only if:

(i) the Company irrevocably deposits or causes to be deposited in trust with the Trustee funds in U.S. dollars in an amount sufficient, or U.S. Government Obligations, which through the scheduled payment of principal of and interest thereon will be sufficient, or a combination thereof sufficient, without reinvestment to pay the principal, premium, if any, and interest when due on all outstanding Notes (except Notes replaced pursuant to Section 2.7) to maturity or redemption, as the case may be;

(ii) unless only U.S. dollars shall have been so deposited, the Company delivers to the Trustee a certificate from a nationally recognized firm of independent accountants expressing their written opinion that the scheduled payments of principal and interest on the deposited U.S. Government Obligations plus any deposited money shall be sufficient, without reinvestment, to pay the principal, premium, if any, and interest when due on all outstanding Notes (except Notes replaced pursuant to Section 2.7) to maturity or redemption, as the case may be;

(iii) 91 days pass after the deposit is made and during the 91-day period no Default specified in Section 6.1(6) or (7) occurs which is continuing at the end of the period;

(iv) the Company shall have delivered to the Trustee an Officers' Certificate stating that the deposit was not made by the Company with the intent of defeating, hindering, delaying or defrauding any creditors of the Company or any Subsidiary Guarantors;

(v) in the case of the legal defeasance option, the Company shall have delivered to the Trustee an Opinion of Counsel stating that (i) the Company has received from, or there has been published by, the Internal Revenue Service a ruling, or (ii) since the date of this Indenture there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Noteholders will not recognize income, gain or loss for federal income tax purposes as a result of such deposit and defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred;

(vi) in the case of the covenant defeasance option, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the Noteholders will not recognize income, gain or loss for federal income tax purposes as a result of such deposit and defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred; and

---

(vii) the Company delivers to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance and discharge of the Notes as contemplated by this Article VIII have been complied with.

Before or after a deposit, the Company may make arrangements satisfactory to the Trustee for the redemption of Notes at a future date in accordance with Article III.

SECTION 8.3. Application of Trust Money. The Trustee shall hold in trust money or U.S. Government Obligations (including the proceeds thereof) deposited with it pursuant to this Article VIII. It shall apply the deposited money and the money from U.S. Government Obligations either directly or through the Paying Agent as the Trustee may determine and in accordance with this Indenture to the payment of principal of, premium, if any, and interest on the Notes.

SECTION 8.4. Repayment to the Company. The Trustee and the Paying Agent shall promptly turn over to the Company upon request any excess money or securities held by them at any time.

Subject to any applicable abandoned property law, the Trustee and the Paying Agent shall pay to the Company upon written request any money held by them for the payment of principal or interest that remains unclaimed for two years after the date of payment of such principal and interest, and, thereafter all liability of the Trustee and the Paying Agent with respect to such money shall cease, Noteholders entitled to the money must look to the Company for payment as general creditors.

Any unclaimed funds held by the Trustee pursuant to this Section 8.4 shall be held uninvested and without any liability for interest.

SECTION 8.5. Indemnity for Government Obligations. The Company shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government Obligations other than any such tax, fee or other charge which by law is for the account of the Holders of the defeased Notes; provided that the Trustee shall be entitled to charge any such tax, fee or other charge to such Holder's account.

SECTION 8.6. Reinstatement. If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with this Article VIII by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to this Article VIII until such time as the Trustee or Paying Agent is permitted to apply all such money or U.S. Government Obligations in accordance with this Article VIII; provided, however, that (a) if the Company has made any payment of interest on or principal of any Notes following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent and (b) unless otherwise required by any legal proceeding or any order or judgment of any court or governmental

---

authority, the Trustee or Paying Agent shall return all such money and U.S. Government Obligations to the Company promptly after receiving a written request therefor at any time, if such reinstatement of the Company's obligations has occurred and continues to be in effect.

## ARTICLE IX

### Amendments

SECTION 9.1. Without Consent of Holders. The Company, the Subsidiary Guarantors and the Trustee may amend this Indenture or the Notes without notice to or the consent of any Noteholder:

- (i) to cure any ambiguity, omission, defect or inconsistency;

- (iv) to add to the covenants of the Company or any Subsidiary Guarantor for the benefit of the Holders of the Notes or to surrender any right or power herein conferred upon the Company or any Subsidiary Guarantor;
- (v) to add one or more guarantees for the benefit of Holders of the Notes;
- (vi) to evidence the release of any Subsidiary Guarantor from its Guarantee of the Notes in accordance with this Indenture;

- (viii) to add or appoint a successor or separate Trustee or other agent;
- (ix) to provide for the issuance of the Exchange Notes, which shall have terms substantially identical in all material respects to the Initial Notes (except that the transfer restrictions contained in the Initial Notes shall be modified or eliminated, as appropriate, and there shall be no registration rights), and which shall be treated, together with any outstanding Initial Notes, as a single issue of securities;
- (x) to provide for the issuance of any Additional Notes;
- (xi) to comply with any requirement in connection with qualifying this Indenture under the Trust Indenture Act;
- (xii) to comply with the rules of any applicable securities depository;

---

(xiii) to provide for uncertificated Notes in addition to or in place of certificated Notes; provided, however, that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code;

(xiv) to conform the text of this Indenture, the Notes or any Guarantee to any provision of the “Description of Notes” section of the Offering Memorandum to the extent such provision in such “Description of Notes” was intended to set forth, verbatim or in substance, a provision of this Indenture, the Notes or the Guarantees; and

(xv) to make any change if the change does not adversely affect the interests of any Noteholder.

After an amendment under this Section 9.1 becomes effective, the Company shall mail or electronically deliver to Noteholders a notice briefly describing such amendment. The failure to give such notice to all Noteholders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.1.

SECTION 9.2. With Consent of Holders. The Company, the Subsidiary Guarantors and the Trustee may amend this Indenture or the Notes without notice to any Noteholder but with the written consent of the Holders of at least a majority in aggregate principal amount of the Notes then outstanding (including consents obtained in connection with a tender offer or exchange for Notes). However, without the consent of each Noteholder affected thereby, an amendment may not:

(i) change the Stated Maturity of the principal of, or installment of interest on, any Note;

(ii) reduce the principal amount of, or the rate of interest on, any Notes;

(iii) reduce any premium, if any, payable on the redemption of any Note or change the date on which any Note may or must be redeemed or repaid (for the avoidance of doubt, the provisions set forth in Section 4.8 (including the definitions related thereto) may be amended or modified at any time prior to the occurrence of a Change of Control Triggering Event with the consent of Holders of at least a majority in aggregate principal amount of the Notes then outstanding);

(iv) change the coin or currency in which the principal of, premium, if any, or interest on any Note is payable;

(v) release the Guarantee of any Subsidiary Guarantor except as provided in this Indenture, or make any changes to such Guarantee in a manner adverse to the Holders;

(vi) impair the right of any Holder to institute suit for the enforcement of any payment on or after the Stated Maturity of any Note;

(vii) reduce the percentage in principal amount of the outstanding Notes, the consent of whose Holders is required in order to take certain actions;

---

(viii) reduce the requirements for quorum or voting by Holders in this Indenture or the Notes;

(ix) modify any of the provisions of this Indenture regarding the waiver of past defaults and the waiver of certain covenants by Holders except to increase any percentage vote required or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of each Holder affected thereby; or

(x) modify any of the above provisions of this Section 9.2.

It shall not be necessary for the consent of the Holders under this Section 9.2 to approve the particular form of any proposed amendment, but it shall be sufficient if such consent approves the substance thereof.

After an amendment under this Section 9.2 becomes effective, the Company shall mail or electronically deliver to Noteholders a notice briefly describing such amendment. The failure to give such notice to all Noteholders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.2.

SECTION 9.3. Compliance with Trust Indenture Act. Every amendment to this Indenture or the Notes shall comply with the Trust Indenture Act as then in effect.

SECTION 9.4. Effect of Consents and Waivers. A consent to an amendment, supplement or a waiver by a Holder of a Note shall bind the Holder and every subsequent Holder of that Note or portion of the Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on the Note. After an amendment or waiver becomes effective with respect to the Notes, it shall bind every Noteholder.

The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Noteholders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Noteholders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to take any such action, whether or not such Persons continue to be Holders after such record date.

SECTION 9.5. Notation on or Exchange of Notes. If an amendment changes the terms of a Note, the Trustee may require the Holder of the Note to deliver it to the Trustee. The Company shall provide in writing to the Trustee an appropriate notation to be placed on the Note regarding the changed terms and return it to the Holder. Alternatively, if the Company or the Trustee so determine, the Company in exchange for the Note shall issue and the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment.

SECTION 9.6. Trustee To Sign Amendments. The Trustee shall sign any amendment authorized pursuant to this Article IX if the amendment does not adversely affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may but need not sign it. In signing such amendment the Trustee shall receive indemnity reasonably satisfactory

---

to it and receive, and (subject to Section 7.1) shall be fully protected in conclusively relying upon an Officers' Certificate of the Company and an Opinion of Counsel each stating that such amendment complies with the provisions of this Article IX and that such supplemental indenture constitutes the legal, valid and binding obligation of the Company in accordance with its terms subject to customary exceptions.

Upon the execution of any supplemental indenture under this Article IX, this Indenture shall be modified in accordance therewith, and such supplemental Indenture shall form a part of this Indenture for all purposes; and every Noteholder theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

## ARTICLE X

### Guarantees

SECTION 10.1. Guarantees. Each of the Subsidiary Guarantors hereby fully unconditionally and irrevocably guarantees, jointly and severally, as primary obligor and not merely as surety, to each Holder of the Notes and to the Trustee the full and punctual payment when due, whether at maturity, by acceleration, by redemption or otherwise, of the principal of (and premium, if any) and interest, if any, on the Notes and all other obligations of the Company under this Indenture and the Notes (the "Obligations") to the Trustee and to the Holders. Each of the Subsidiary Guarantors further agrees (to the extent permitted by law) that the Obligations may be extended or renewed, in whole or in part, without notice or further assent from it, and that it shall remain bound under this Article X notwithstanding any extension or renewal of any Obligation.

Each of the Subsidiary Guarantors waives presentation to, demand of payment from and protest to the Company of any of the Obligations and also waives notice of protest for nonpayment. Each of the Subsidiary Guarantors waives notice of any default under the Notes or the Obligations. The obligations of each of the Subsidiary Guarantors hereunder shall not be affected by (a) the failure of any Holder to assert any claim or demand or to enforce any right or remedy against the Company or any other person under this Indenture, the Notes or any other agreement or otherwise, (b) any extension or renewal of any thereof, (c) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes or any other agreement, (d) the release of any security held by any Holder or the Trustee for the Obligations or any of them or (e) any change in the ownership of the Company.

Each of the Subsidiary Guarantors further agrees that its Guarantee herein constitutes a guarantee of payment when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder to any security held for payment of the Obligations.

The obligations of each of the Subsidiary Guarantors hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than payment of the Obligations in full), including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the

---

Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each of the Subsidiary Guarantors herein shall not be discharged or impaired or otherwise affected by the failure of any Holder to assert any claim or demand or to enforce any remedy under this Indenture, the Notes or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the Obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of each of the Subsidiary Guarantors or would otherwise operate as a discharge of the Subsidiary Guarantors as a matter of law or equity.

Each of the Subsidiary Guarantors further agrees that its Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of, premium, if any, or interest, if any, on any of the Obligations is rescinded or must otherwise be restored by any Holder upon the bankruptcy or reorganization of the Company or otherwise.

In furtherance of the foregoing and not in limitation of any other right which any Holder has at law or in equity against any of the Subsidiary Guarantors by virtue hereof, upon the failure of the Company to pay any of the Obligations when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, each of the Subsidiary Guarantors hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders an amount equal to the sum of (i) the unpaid amount of such Obligations then due and owing and (ii) accrued and unpaid interest on such Obligations then due and owing (but only to the extent not prohibited by law).

Each of the Subsidiary Guarantors further agrees that, as between itself, on the one hand, and the Holders, on the other hand, (x) the maturity of the Obligations guaranteed hereby may be accelerated as provided in this Indenture for the purposes of its Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Obligations guaranteed hereby and (y) in the event of any such declaration of acceleration of such Obligations, such Obligations (whether or not due and payable) shall forthwith become due and payable by such Subsidiary Guarantor for the purposes of this Guarantee.

Each of the Subsidiary Guarantors also agrees to pay any and all reasonable costs and expenses (including reasonable attorneys' fees) incurred by the Trustee or the Holders in enforcing any rights under this Section 10.1.

SECTION 10.2. No Subrogation. Notwithstanding any payment or payments made by any Subsidiary Guarantor hereunder, no Subsidiary Guarantor shall be entitled to be subrogated to any of the rights of the Trustee or any Holder against the Company or any collateral security or guarantee or right of offset held by the Trustee or any Holder for the payment of the Obligations, nor shall any of the Subsidiary Guarantors seek or be entitled to seek any contribution or reimbursement from the Company or any other Subsidiary Guarantor in respect of payments made by such Subsidiary Guarantor hereunder, until all amounts owing to the Trustee and the Holders by the Company on account of the Obligations are paid in full. If any amount shall be paid to any of the Subsidiary Guarantors on account of such subrogation rights at any time when all of the Obligations shall not have been paid in full, such amount shall

---

be held by such Subsidiary Guarantor in trust for the Trustee and the Holders, segregated from other funds of such Subsidiary Guarantor, and shall, forthwith upon receipt by such Subsidiary Guarantor, be turned over to the Trustee in the exact form received by such Subsidiary Guarantor (duly indorsed by such Subsidiary Guarantor to the Trustee, if required), to be applied against the Obligations.

SECTION 10.3. Consideration. Each of the Subsidiary Guarantors has received, or shall receive, direct or indirect benefits from the making of its Guarantee.

SECTION 10.4. Limitation on Subsidiary Guarantor Liability. Each Subsidiary Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Subsidiary Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Subsidiary Guarantors hereby irrevocably agree that the obligations of each Subsidiary Guarantor shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Subsidiary Guarantor that are relevant under such laws and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Subsidiary Guarantor in respect of the obligations of such other Guarantor under this Article X, result in the obligations of such Subsidiary Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law. Each Subsidiary Guarantor that makes a payment under its Guarantee shall be entitled upon payment in full of all guaranteed obligations under this Indenture to a contribution from each other Subsidiary Guarantor in an amount equal to such other Subsidiary Guarantor's pro rata portion of such payment based on the respective net assets of all the Subsidiary Guarantors at the time of such payment determined in accordance with GAAP.

SECTION 10.5. Execution and Delivery. To evidence its Guarantee set forth in Section 10.1 hereof, each Subsidiary Guarantor hereby agrees that this Indenture (or a supplemental indenture, as the case may be) shall be executed on behalf of such Subsidiary Guarantor by one of its Officers, managers, its trustee, its managing member or its general partner, as the case may be.

Each Subsidiary Guarantor hereby agrees that its Guarantee set forth in Section 10.1 hereof shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

If an Officer, manager, trustee, managing member or general partner of a Subsidiary Guarantor whose signature is on this Indenture (or a supplemental indenture, as the case may be) no longer holds that office at the time the Trustee authenticates the Notes, the Guarantee shall be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Guarantee set forth in this Indenture on behalf of the Subsidiary Guarantors.

---

SECTION 10.6. Release of Subsidiary Guarantors. A Subsidiary Guarantor will be automatically released from all its obligations under the Notes, this Indenture and its Guarantee, and its Guarantee will automatically terminate (1) upon the termination for any reason of the obligations of such Subsidiary Guarantor as a guarantor or borrower under the Credit Agreement (including, without limitation, pursuant to the terms of the Credit Agreement, upon agreement of the requisite lenders under the Credit Agreement or upon the termination of the Credit Agreement or upon the replacement thereof with a credit facility not providing for such Subsidiary Guarantor to be a guarantor or a borrower thereunder), (2) upon the exercise of the legal defeasance option or the covenant defeasance option pursuant to Section 8.1(b), or upon satisfaction and discharge of this Indenture pursuant Section 8.1(a) and (3) upon the consummation of any sale or other disposition of any or all of the Capital Stock of such Subsidiary Guarantor (including by way of merger or consolidation) or other transaction such that after giving effect to such sale, disposition or other transaction such Subsidiary Guarantor is no longer a Domestic Subsidiary of the Company. Upon request of the Company, the Trustee shall evidence such release by a supplemental indenture or other instrument which may be executed by the Trustee without the consent of any Holder.

SECTION 10.7. Future Subsidiary Guarantors. After the Issue Date, the Company shall cause any Domestic Subsidiary that is not a Subsidiary Guarantor and that becomes a guarantor or a borrower under the Credit Agreement to execute and deliver to the Trustee within 60 days of becoming a guarantor or borrower under the Credit Agreement, a supplemental indenture pursuant to which such Domestic Subsidiary shall become a Subsidiary Guarantor and shall provide a Guarantee of the Obligations.

## 2. The Notes.

2.1 (a) Form and Dating. The Initial Notes will be offered and sold by the Company pursuant to the Purchase Agreement. The Initial Notes will be resold initially only to (i) QIBs in reliance on Rule 144A under the Securities Act (“Rule 144A”) and (ii) Persons other than U.S. Persons (as defined in Regulation S) in reliance on Regulation S under the Securities Act (“Regulation S”). Initial Notes may thereafter be transferred to, among others, QIBs and purchasers in reliance on Regulation S, subject to the restrictions on transfer set forth herein. Initial Notes initially resold pursuant to Rule 144A shall be issued initially in the form of one or more permanent global Notes in definitive, fully registered form (collectively, the “Rule 144A Global Note”); and Initial Notes initially resold pursuant to Regulation S shall be issued initially in the form of one or more temporary global securities in fully registered form (collectively, the “Regulation S Global Note”), in each case without interest coupons and with the global securities legend and the applicable restricted securities legend set forth in Exhibit 1 hereto, which shall be deposited on behalf of the purchasers of the Initial Notes represented thereby with the Securities Custodian and registered in the name of the Depository or a nominee of the Depository, duly executed by the Company and authenticated by the Trustee as provided in the Indenture. Except as set forth in this Section 2.1(a), beneficial ownership interests in the Regulation S Global Note will not be exchangeable for interests in the Rule 144A Global Note or any other global note prior to the expiration of the Distribution Compliance Period and then, after the expiration of the Distribution Compliance Period, may be exchanged for interests in a Rule 144A Global Note or any other global note only upon certification in form reasonably satisfactory to the Trustee and the Company that beneficial ownership interests in such Regulation S Global Note are owned either by non-U.S. persons or U.S. persons who purchased such interests in a transaction that did not require registration under the Securities Act.

Beneficial interests in Regulation S Global Notes may be exchanged for interests in Rule 144A Global Notes if (1) such exchange occurs in connection with a transfer of Notes in compliance with Rule 144A and (2) the transferor of the beneficial interest in the Regulation S Global Note first delivers to the Trustee a written certificate (in a form reasonably satisfactory to the Trustee and the Company) to the effect that the beneficial interest in the Regulation S Global Note is being transferred to a Person (a) who the transferor reasonably believes to be a QIB, (b) purchasing for its own account or the account of a QIB in a transaction meeting the requirements of Rule 144A, and (c) in accordance with all applicable securities laws of the States of the United States and other jurisdictions.

Beneficial interests in a Rule 144A Global Note may be transferred to a Person who takes delivery in the form of an interest in a Regulation S Global Note, whether before or after the expiration of the Distribution Compliance Period, only if the transferor first delivers to the Trustee a written certificate (in a form reasonably satisfactory to the Company and the Trustee) to the effect that such transfer is being made in accordance with Rule 903 or 904 of Regulation S or Rule 144 (if applicable).

The Rule 144A Global Note and the Regulation S Global Note and any Exchange Notes in global form are collectively referred to herein as the “Global Notes”. The aggregate principal amount of the Global Notes may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depository or its nominee as hereinafter provided.

---

(b) Book-Entry Provisions. This Section 2.1(b) shall apply only to a Global Note deposited with or on behalf of the Depository.

The Company shall execute and the Trustee shall, in accordance with this Section 2.1(b), authenticate and deliver initially one or more Global Notes that (a) shall be registered in the name of the Depository for such Global Note or Global Notes or the nominee of such Depository and (b) shall be delivered by the Trustee to such Depository or pursuant to such Depository's instructions or held by the Trustee as custodian for the Depository.

Members of, or participants in, the Depository ("Agent Members") shall have no rights under the Indenture with respect to any Global Note held on their behalf by the Depository or by the Trustee as the custodian of the Depository or under such Global Note, and the Company, the Trustee and any agent of the Company or the Trustee shall be entitled to treat the Depository as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices of such Depository governing the exercise of the rights of a holder of a beneficial interest in any Global Note.

(c) Definitive Notes. Except as provided in this Section 2.1, Section 2.3 or Section 2.4, owners of beneficial interests in Global Notes shall not be entitled to receive physical delivery of Definitive Notes.

2.2 Authentication. The Trustee shall authenticate and deliver: (1) on the Issue Date, an aggregate principal amount of \$1,250,000,000 3.25% Senior Notes due 2030, (2) any Additional Notes for an original issue in an aggregate principal amount specified in the written order of the Company pursuant to Section 2.2 of the Indenture and (3) Exchange Notes for issue only in a Registered Exchange Offer pursuant to a Registration Rights Agreement, for a like principal amount of Initial Notes, in each case upon a written order of the Company signed by an Officer of the Company, such order to specify the amount of the Notes to be authenticated and the date on which the original issue of Notes is to be authenticated, and, in the case of Exchange Notes, upon receipt of a written certification contained in the letter of transmittal (or substantially similar electronic submission, including an agent's message through the Depository) for the related Registered Exchange Offer, from Persons to receive such Exchange Notes that (x) they are not broker-dealers who acquired Notes directly from the Issuer, (y) they are not participating in a distribution of the Exchange Notes and (z) they are not affiliates (as defined in Rule 144).

2.3 Transfer and Exchange.

- (a) Transfer and Exchange of Definitive Notes. When Definitive Notes are presented to the Registrar with a request:
- (x) to register the transfer of such Definitive Notes; or

---

(y) to exchange such Definitive Notes for an equal principal amount of Definitive Notes of other authorized denominations, the Registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; provided, however, that the Definitive Notes surrendered for transfer or exchange:

(i) shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Registrar, duly executed by the Holder thereof or its attorney duly authorized in writing; and

(ii) if such Definitive Notes are required to bear a restricted securities legend, they are being transferred or exchanged pursuant to an effective registration statement under the Securities Act, pursuant to Section 2.3(b) or pursuant to clause (A), (B) or (C) below, and are accompanied by the following additional information and documents, as applicable:

(A) if such Definitive Notes are being delivered to the Registrar by a Holder for registration in the name of such Holder, without transfer, a certification from such Holder to that effect; or

(B) if such Definitive Notes are being transferred to the Company, a certification to that effect; or

(C) if such Definitive Notes are being transferred (x) pursuant to an exemption from registration in accordance with Rule 144A, Regulation S or Rule 144 under the Securities Act; or (y) in reliance upon another exemption from the requirements of the Securities Act:

(i) a certification to that effect (in the form set forth on the reverse of the Note) and (ii) if the Company so requests, an opinion of counsel or other evidence reasonably satisfactory to it as to the compliance with the restrictions set forth in the legend set forth in Section 2.3(d) (i).

(b) Restrictions on Transfer of a Definitive Note for a Beneficial Interest in a Global Note. A Definitive Note may not be exchanged for a beneficial interest in a Rule 144A Global Note or a Regulation S Global Note except upon satisfaction of the requirements set forth below. Upon receipt by the Trustee of a Definitive Note, duly endorsed or accompanied by appropriate instruments of transfer, in form satisfactory to the Trustee, together with:

(i) certification, in the form set forth on the reverse of the Note, that such Definitive Note is either (A) being transferred to a QIB in accordance with Rule 144A or (B) being transferred after expiration of the Distribution Compliance Period by a Person who initially purchased such Note in reliance on Regulation S to a buyer who elects to hold its interest in such Note in the form of a beneficial interest in the Regulation S Global Note; and

(ii) written instructions directing the Trustee to make, or to direct the Securities Custodian to make, an adjustment on its books and records with respect to such

---

Rule 144A Global Note (in the case of a transfer pursuant to clause (b)(i)(A)) or Regulation S Global Note (in the case of a transfer pursuant to clause (b)(i)(B)) to reflect an increase in the aggregate principal amount of the Notes represented by the Rule 144A Global Note or Regulation S Global Note, as applicable, such instructions to contain information regarding the Depository account to be credited with such increase,

then the Trustee shall cancel such Definitive Note and cause, or direct the Securities Custodian to cause, in accordance with the standing instructions and procedures existing between the Depository and the Securities Custodian, the aggregate principal amount of Notes represented by the Rule 144A Global Note or Regulation S Global Note, as applicable, to be increased by the aggregate principal amount of the Definitive Note to be exchanged and shall credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Rule 144A Global Note or Regulation S Global Note, as applicable, equal to the principal amount of the Definitive Note so canceled. If no Rule 144A Global Notes or Regulation S Global Notes, as applicable, are then outstanding, the Company shall issue and the Trustee shall authenticate, upon written order of the Company in the form of an Officers' Certificate of the Company, a new Rule 144A Global Note or Regulation S Global Note, as applicable, in the appropriate principal amount.

(c) Transfer and Exchange of Global Notes.

(i) The transfer and exchange of Global Notes or beneficial interests therein shall be effected through the Depository, in accordance with the Indenture (including applicable restrictions on transfer set forth herein, if any) and the procedures of the Depository therefor. A transferor of a beneficial interest in a Global Note shall deliver to the Registrar a written order given in accordance with the Depository's procedures containing information regarding the participant account of the Depository to be credited with a beneficial interest in the Global Note. The Registrar shall, in accordance with such instructions instruct the Depository to credit to the account of the Person specified in such instructions a beneficial interest in the Global Note and to debit the account of the Person making the transfer the beneficial interest in the Global Note being transferred. Notwithstanding anything herein to the contrary, the Registrar shall have no responsibilities to seek, and need not receive, any certificates, opinions or other documentation in connection with the transfer of a beneficial interest within a single Global Note.

(ii) If the proposed transfer is a transfer of a beneficial interest in one Global Note to a beneficial interest in another Global Note, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Note to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of the Global Note from which such interest is being transferred.

(iii) Notwithstanding any other provisions of this Appendix (other than the provisions set forth in Section 2.4), a Global Note may not be transferred as a whole except by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository.

---

(iv) In the event that a Global Note is exchanged for Definitive Notes pursuant to Section 2.4 of this Appendix, prior to the consummation of a Registered Exchange Offer or the effectiveness of a Shelf Registration Statement with respect to such Notes, such Notes may be exchanged only in accordance with such procedures as are substantially consistent with the provisions of this Section 2.3 (including the certification requirements set forth on the reverse of the Initial Notes intended to ensure that such transfers comply with Rule 144A, Regulation S or another applicable exemption under the Securities Act, as the case may be) and such other procedures as may from time to time be adopted by the Company.

(d) Legend.

(i) Except as permitted by the following paragraphs (ii), (iii) and (iv), each Note certificate evidencing the Transfer Restricted Notes (and all Notes issued in exchange therefor or in substitution thereof) shall bear a legend in substantially the following form:

THIS NOTE HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), OR THE SECURITIES LAWS OF ANY STATE OR OTHER JURISDICTION. THIS LEGEND WILL BE REMOVED WITHOUT FURTHER ACTION OF THE ISSUER, THE TRUSTEE OR ANY HOLDER AT SUCH TIME AS THE ISSUER INSTRUCTS THE TRUSTEE IN WRITING TO REMOVE SUCH LEGEND IN ACCORDANCE WITH THE INDENTURE.

Each certificate evidencing a Note offered in reliance on Regulation S shall, in addition to the foregoing, bear a legend in substantially the following form:

BY ITS ACQUISITION HEREOF, THE HOLDER HEREOF REPRESENTS THAT IT IS NOT A U.S. PERSON NOR IS IT PURCHASING FOR THE ACCOUNT OF A U.S. PERSON AND IS ACQUIRING THIS NOTE IN AN OFFSHORE TRANSACTION IN ACCORDANCE WITH REGULATION S UNDER THE SECURITIES ACT. THIS NOTE (OR ITS PREDECESSOR) WAS ORIGINALLY ISSUED IN A TRANSACTION ORIGINALLY EXEMPT FROM REGISTRATION UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), AND MAY NOT BE TRANSFERRED IN THE UNITED STATES OR TO, OR FOR THE ACCOUNT OR BENEFIT OF, ANY U.S. PERSON EXCEPT PURSUANT TO AN AVAILABLE EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND ALL APPLICABLE STATE SECURITIES LAWS. TERMS USED ABOVE HAVE THE MEANINGS GIVEN TO THEM IN REGULATION S UNDER THE SECURITIES ACT.

UNTIL 40 DAYS AFTER THE LATER OF COMMENCEMENT OR COMPLETION OF THE OFFERING, AN OFFER OR SALE OF SECURITIES WITHIN THE UNITED STATES BY A DEALER (AS DEFINED IN THE SECURITIES ACT) MAY VIOLATE THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT IF SUCH OFFER OR SALE IS MADE OTHERWISE THAN IN ACCORDANCE WITH RULE 144A THEREUNDER.

Each Definitive Note shall also bear the following additional legend:

IN CONNECTION WITH ANY TRANSFER, THE HOLDER WILL DELIVER TO THE REGISTRAR AND TRANSFER AGENT SUCH CERTIFICATES AND OTHER INFORMATION AS SUCH TRANSFER AGENT MAY REASONABLY REQUIRE TO CONFIRM THAT THE TRANSFER COMPLIES WITH THE FOREGOING RESTRICTIONS.

---

(ii) Upon any sale or transfer of a Transfer Restricted Note (including any Transfer Restricted Note represented by a Global Note) pursuant to Rule 144 under the Securities Act, the Registrar shall permit the transferee thereof to exchange such Transfer Restricted Note for a certificated Note that does not bear the legend set forth above and rescind any restriction on the transfer of such Transfer Restricted Note, if the transferor thereof certifies in writing to the Registrar that such sale or transfer was made in reliance on Rule 144 (such certification to be in the form set forth on the reverse of the Note).

(iii) After a transfer of any Initial Notes pursuant to and during the period of the effectiveness of a Shelf Registration Statement with respect to such Initial Notes all requirements pertaining to legends on such Initial Note will cease to apply, the requirements requiring any such Initial Note issued to certain Holders be issued in global form will cease to apply and a certificated Initial Note or an Initial Note in global form, in each case without restrictive transfer legends, will be available to the transferee of the Holder of such Initial Notes upon exchange of such transferring Holder's certificated Initial Note or directions to transfer such Holder's interest in the Global Note, as applicable.

(iv) Upon the consummation of a Registered Exchange Offer with respect to the Initial Notes, all requirements pertaining to such Initial Notes that Initial Notes issued to certain Holders be issued in global form will still apply with respect to Holders of such Initial Notes that do not exchange their Initial Notes, and Exchange Notes in certificated or global form, in each case without the restricted securities legend set forth in Exhibit 1 hereto will be available to Holders that exchange such Initial Notes in such Registered Exchange Offer.

(e) Cancellation or Adjustment of Global Note. At such time as all beneficial interests in a Global Note have either been exchanged for Definitive Notes, redeemed, purchased or canceled, such Global Note shall be returned to the Depository for cancellation or retained and canceled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for certificated Notes, redeemed, purchased or canceled, the principal amount of Notes represented by such Global Note shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Securities Custodian for such Global Note) with respect to such Global Note, by the Trustee or the Securities Custodian, to reflect such reduction.

(f) No Obligation of the Trustee.

(i) The Trustee shall have no responsibility or obligation to any beneficial owner of a Global Note, a member of, or a participant in the Depository or other Person with respect to the accuracy of the records of the Depository or its nominee or of any participant or member thereof, with respect to any ownership interest in the Notes or with respect to the delivery to any participant, member, beneficial owner or other Person (other than the Depository) of any notice (including any notice of redemption) or the payment of any amount, under or with respect to such Notes. All notices and communications to be given to the Holders and all payments to be made to Holders under the Notes shall be given or made only to or upon the order of the registered Holders

---

(which shall be the Depository or its nominee in the case of a Global Note). The rights of beneficial owners in any Global Note shall be exercised only through the Depository subject to the applicable rules and procedures of the Depository. The Trustee may rely and shall be fully protected in relying upon information furnished by the Depository with respect to its members, participants and any beneficial owners.

(ii) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under the Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depository participants, members or beneficial owners in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of the Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

#### 2.4 Definitive Notes.

(a) A Global Note deposited with the Depository or with the Trustee as Securities Custodian for the Depository pursuant to Section 2.1 shall be transferred to the beneficial owners thereof in the form of Definitive Notes in an aggregate principal amount equal to the principal amount of such Global Note, in exchange for such Global Note, only if such transfer complies with Section 2.3 hereof and (i) the Depository notifies the Company that it is unwilling or unable to continue as Depository for such Global Note and the Depository fails to appoint a successor depository or if at any time such Depository ceases to be a “clearing agency” registered under the Exchange Act, and in either case, a successor depository is not appointed by the Company within 90 days of such notice or of its becoming aware of such lack of registration, (ii) an Event of Default has occurred and is continuing or (iii) the Company, in its sole discretion and subject to the procedures of the Depository, notifies the Trustee in writing that it elects to cause the issuance of Definitive Notes under the Indenture.

(b) Any Global Note that is transferable to the beneficial owners thereof pursuant to this Section 2.4 shall be surrendered by the Depository to the Trustee located at its designated corporate trust office to be so transferred, in whole or from time to time in part, without charge, and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of Definitive Notes of authorized denominations. Any portion of a Global Note transferred pursuant to this Section 2.4 shall be executed, authenticated and delivered only in denominations of \$2,000 principal amount and any integral multiples of \$1,000 in excess of \$2,000 and registered in such names as the Depository shall direct. Any Definitive Note delivered in exchange for an interest in the Transfer Restricted Note shall, except as otherwise provided by Section 2.3(d) hereof, bear the applicable restricted securities legend and definitive securities legend set forth in Exhibit 1 hereto.

(c) Subject to the provisions of Section 2.4(b) hereof, the registered Holder of a Global Note shall be entitled to grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under the Indenture or the Notes.

---

(d) In the event of the occurrence of one of the events specified in Section 2.4(a) hereof, the Company shall promptly make available to the Trustee a reasonable supply of Definitive Notes in definitive, fully registered form without interest coupons. In the event that such Definitive Notes are not issued, the Company expressly acknowledges, with respect to the right of any Holder to pursue a remedy pursuant to Section 6.6 of the Indenture, the right of any beneficial owner of Notes to pursue such remedy with respect to the portion of the Global Note that represents such beneficial owner's Notes as if such Definitive Notes had been issued.

3.25% Senior Note due 2030

1. Interest

Expedia Group, Inc., a Delaware corporation (together with its successors and assigns under the Indenture hereinafter referred to, being herein called the “Company”), promises to pay interest on the principal amount of this Note at the rate of 3.25% per annum; provided, however, that, upon the occurrence or failure to occur of certain events specified in the Registration Rights Agreement, the Company shall, subject to the terms and conditions set forth in the Registration Rights Agreement, pay additional interest on the principal amount of this Note at a rate of 0.25% per annum after such event occurs or fails to occur so long as such event continues or fails to occur, as the case may be. Such additional interest shall be payable in addition to any other interest payable from time to time with respect to this Note.

The Company shall pay interest semiannually in arrears on February 15 and August 15 of each year (each such date, an “Interest Payment Date”), commencing on [February 15, 2020] [first interest payment date relating to any Additional Notes]. Interest on the Notes shall accrue from [September 19, 2019] [date of issuance of any Additional Notes] [prior interest payment date], or from the most recent date to which interest has been paid or duly provided for on the Notes. Interest shall be computed on the basis of a 360-day year comprised of twelve 30-day months.

2. Method of Payment

By no later than 11:00 a.m. (New York City time) on the date on which any principal of, premium, if any, or interest on any Note is due and payable, the Company shall irrevocably deposit with the Trustee or the Paying Agent money sufficient to pay such principal, premium, if any, and/or interest. The Company shall pay interest (except defaulted interest) to the Persons who are registered Holders of Notes at the close of business on the February 1 or August 1 (whether or not a Business Day) immediately preceding the Interest Payment Date. Holders must surrender Notes to a Paying Agent to collect principal and premium payments. The Company shall pay principal, premium, if any, and interest in money of the United States that at the time of payment is legal tender for payment of public and private debts. Payments in respect of Notes represented by a Global Note held by the Depository (including principal, premium, if any, and interest) shall be made by the transfer of immediately available funds to the accounts specified by the Depository. The Company may make all payments in respect of a Definitive Note (including principal, premium, if any, and interest) by mailing a check to the registered address of each Holder thereof or by wire transfer to an account located in the United States maintained by the payee; provided, that such Holder shall have furnished the Paying Agent with wire transfer instructions satisfactory to the Paying Agent at least 15 calendar days prior to the payment date.

---

If any interest payment date or other payment date of a Note falls on a day that is not a Business Day, the required payment of principal, premium, if any, and interest will be made on the next succeeding Business Day as if made on the date that the payment was due, and no interest shall accrue on that payment for the period from and after that interest payment date or other payment date, as the case may be, to the date of that payment on the next succeeding Business Day.

3. Paying Agent and Registrar

U.S. Bank National Association, a national banking association (the “Trustee”), shall initially act as Paying Agent and Registrar. The Company may appoint and change any Paying Agent or Registrar without notice to any Noteholder. The Company or any of its domestically organized wholly owned Subsidiaries may act as Paying Agent.

4. Indenture

The Company issued the Notes under an Indenture dated as of September 19, 2019 (as it may be amended or supplemented from time to time in accordance with the terms thereof, the “Indenture”), among the Company, the Subsidiary Guarantors and the Trustee. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S.C. §§ 77aaa-77bbb) as in effect on the date of the Indenture (the “Trust Indenture Act”). Capitalized terms used herein and not defined herein have the meanings ascribed thereto in the Indenture. The Notes are subject to all such terms, and Noteholders are referred to the Indenture and the Trust Indenture Act for a statement of those terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

The Notes are senior unsecured obligations of the Company. This Note is one of the Initial Notes referred to in the Indenture. The Notes include the Initial Notes issued on the Issue Date, any Additional Notes issued in accordance with Section 2.13 of the Indenture and any Exchange Notes issued in exchange for the Initial Notes or Additional Notes pursuant to the Indenture and the Registration Rights Agreement. The Initial Notes, any Additional Notes and the Exchange Notes are treated as a single class of securities under the Indenture. The Indenture imposes certain limitations on the ability of the Company and its Subsidiaries to create liens, enter into sale and lease-back transactions and enter into mergers and consolidations.

The Notes are guaranteed to the extent provided in the Indenture.

5. Optional Redemption

Prior to November 15, 2029 (the date that is three months prior to the Stated Maturity of the Notes), the Notes shall be redeemable, in whole or in part, from time to time, at the option of the Company, at a redemption price equal to the greater of (i) 100% of the aggregate principal amount of the Notes to be redeemed and (ii) the sum of the present values of the Remaining Scheduled Payments thereon (exclusive of interest

---

accrued to the date of redemption) discounted to the redemption date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 25 basis points, in each case, plus accrued and unpaid interest thereon to but excluding the redemption date.

On or after November 15, 2029 (the date that is three months prior to the Stated Maturity of the Notes), the Notes shall be redeemable, in whole or in part, from time to time, at the option of the Company, at a redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest thereon to but excluding the redemption date.

The following terms are relevant to the determination of the redemption price for any redemption prior to November 15, 2029:

“Comparable Treasury Issue” means the United States Treasury security selected by an Independent Investment Banker as having an actual or interpolated maturity comparable to the remaining term of the Notes to be redeemed (assuming for such purpose that the Notes matured on November 15, 2029) that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such Notes.

“Comparable Treasury Price” means, with respect to a redemption date, (1) the arithmetic average of the Reference Treasury Dealer Quotations for such redemption date after excluding the highest and lowest Reference Treasury Dealer Quotations, or (2) if the Independent Investment Banker is given fewer than four Reference Treasury Dealer Quotations, the arithmetic average of all Reference Treasury Dealer Quotations for such redemption date.

“Independent Investment Banker” means BofA Securities, Inc., J.P. Morgan Securities LLC or Goldman Sachs & Co. LLC (or their respective successors) as may be appointed from time to time by the Company.

“Primary Treasury Dealer” means a primary U.S. government securities dealer in New York City.

“Reference Treasury Dealer” means (i) two of BofA Securities, Inc., J.P. Morgan Securities LLC and Goldman Sachs & Co. LLC (or their respective successors) selected by the Company; provided, however, that if any of the foregoing ceases to be a Primary Treasury Dealer, the Company may substitute another Primary Treasury Dealer and (ii) two other Primary Treasury Dealers selected by the Company.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date, the arithmetic average, as determined by the Independent Investment Banker, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Independent Investment Banker by such Reference Treasury Dealer by 3:30 p.m., New York City time, on the third Business Day preceding such redemption date.

---

“Remaining Scheduled Payments” means, with respect to any Note to be redeemed, the remaining scheduled payments of the principal and interest thereon that would be due after the related redemption date but for such redemption if such Notes matured on November 15, 2029; provided, however, that, if such redemption date is not an interest payment date with respect to such Note, the amount of the next scheduled interest payment thereon will be reduced (solely for purposes of making this determination) by the amount of interest accrued thereon to such redemption date.

“Treasury Rate” means, with respect to any redemption date, the rate per annum equal to the semi-annual equivalent yield to maturity (computed as of the third Business Day immediately preceding that redemption date) of the Comparable Treasury Issue. In determining this rate, the Company will assume a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

Except as set forth above, the Notes shall not be redeemable at the election of the Company prior to maturity.

The Notes shall not be entitled to the benefit of any sinking fund.

6. Notice of Redemption

Notice of redemption will be mailed or electronically delivered if held by the Depository at least 15 days but not more than 60 days before the redemption date to each Holder of Notes to be redeemed at his registered address. Notes in denominations larger than \$2,000 principal amount may be redeemed in part but only in whole multiples of \$2,000. Notes of \$2,000 or less may be redeemed in whole and not in part. If money sufficient to pay the redemption price of and accrued interest on all Notes (or portions thereof) to be redeemed on the redemption date is deposited with the Paying Agent on or before 11:00 a.m. (New York City time) on the redemption date (or, if the Company or any of its Subsidiaries is the Paying Agent, such money is segregated and held in trust), on and after the redemption date interest shall cease to accrue on such Notes (or such portions thereof) called for redemption.

7. Put Provisions

Upon a Change of Control Triggering Event, subject to limited exceptions, any Holder of Notes will have the right to cause the Company to repurchase all or any part of the Notes of such Holder at a repurchase price equal to 101% of the principal amount of the Notes to be repurchased plus accrued and unpaid interest to the date of repurchase (subject to the right of holders of record on the relevant record date to receive interest due on an interest payment date occurring on or prior to the date of such repurchase) as provided in, and subject to the terms of, the Indenture.

---

8. Registration Rights

The Company is party to a Registration Rights Agreement, dated as of September 19, 2019, among the Company, the Subsidiary Guarantors and BofA Securities, Inc., J.P. Morgan Securities LLC and Goldman Sachs & Co. LLC, as representatives of the Initial Purchasers, pursuant to which it is obligated to pay Additional Interest upon the occurrence of certain events specified in the Registration Rights Agreement.

9. Denominations; Transfer; Exchange

The Notes are in fully registered form without coupons in denominations of principal amount of \$2,000 and integral multiples of \$1,000 in excess thereof. A Holder may register, transfer or exchange Notes in accordance with the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes and fees required by law or permitted by the Indenture; provided that no service charge will be made for any registration of transfer or exchange of Notes, but the Company may require payment of a sum sufficient to cover any transfer tax or other similar governmental charge payable in connection therewith. The Registrar need not register the transfer of or exchange any Notes selected for redemption (except, in the case of a Note to be redeemed in part, the portion of the Note not to be redeemed) for a period beginning 15 days before the mailing or electronic delivery of a notice of redemption of Notes to be redeemed and ending on the date of such mailing or electronic delivery.

10. Persons Deemed Owners

The registered holder of this Note shall be treated as the owner of it for all purposes (subject to the rights of a registered holder as of a record date prior thereto to receive interest due on an interest payment date as provided herein and in the Indenture).

11. Unclaimed Money

If money for the payment of principal, premium, if any, or interest remains unclaimed for two years after the date of payment of principal, premium, if any, and interest, the Trustee or Paying Agent shall pay the money back to the Company at its request. After any such payment, all liability of the Trustee and the Paying Agent with respect to such money shall cease and Holders entitled to the money must look only to the Company and not to the Trustee for payment.

12. Defeasance

Subject to certain conditions set forth in the Indenture, the Company at any time may terminate some or all of its obligations under the Notes and the Indenture if the Company deposits with the Trustee U.S. dollars or U.S. Government Obligations for the payment of principal of, premium, if any, and interest on the Notes to redemption or maturity, as the case may be.

---

13. Amendment, Waiver

Subject to certain exceptions set forth in the Indenture, (i) the Indenture or the Notes may be amended with the written consent of the Holders of at least a majority in aggregate principal amount of the outstanding Notes (including consents obtained in connection with a tender offer or exchange for Notes) and (ii) any default or noncompliance with any provision of the Indenture or the Notes may be waived with the written consent of the Holders of a majority in aggregate principal amount of the outstanding Notes. However, the Indenture requires the consent of each Noteholder that would be affected for certain specified amendments or modifications of the Indenture and the Notes. Subject to certain exceptions set forth in the Indenture, without notice to or the consent of any Noteholder, the Company, the Subsidiary Guarantors and the Trustee may amend the Indenture or the Notes to cure any ambiguity, omission, defect or inconsistency, or to evidence the succession of another Person to the Company or any Subsidiary Guarantor and the assumption by any such Person of the obligations of the Company or such Subsidiary Guarantor in accordance with Article V of the Indenture, or to add any additional Events of Default, or to add to the covenants of the Company or any Subsidiary Guarantor for the benefit of the Holders of the Notes or surrender any right or power conferred upon the Company or any Subsidiary Guarantor, or to add one or more guarantees for the benefit of the Holders of the Notes, or to evidence the release of any Subsidiary Guarantor from its Guarantee of the Notes in accordance with the Indenture, or to add collateral security with respect to the Notes or any Guarantee, or to add or appoint a successor or separate Trustee or other agent, or to provide for the issuance of the Exchange Notes in accordance with the Indenture, or to provide for the issuance of any Additional Notes, or to comply with any requirement in connection with qualifying the Indenture under the Trust Indenture Act, or to comply with the rules of any applicable securities depository, or to provide for uncertificated Notes in addition to or in place of certificated Notes in accordance with the Indenture, or to conform the text of the Indenture, this Note or any Guarantee to any provision of the "Description of Notes" section of the Offering Memorandum to the extent such provision in such "Description of Notes" was intended to set forth, verbatim or in substance, a provision of the Indenture, this Note or the Guarantees, or to make any change if the change does not adversely affect the interests of any Noteholder.

14. Defaults and Remedies

Under the Indenture, Events of Default include (i) default for 30 days in payment of interest on the Notes; (ii) default in payment of principal, or premium, if any, on the Notes when due at its Stated Maturity, upon optional redemption or otherwise; (iii) failure by the Company or any Subsidiary Guarantor to comply with any other agreement in the Indenture or the Notes, subject to notice and lapse of time; (iv) failure to make any payment at maturity, including any applicable grace period, in respect of Indebtedness of the Company or any of its Subsidiaries (other than Indebtedness of the Company or of any of its Subsidiaries owing to the Company or any of its Subsidiaries) in an amount in excess of \$35,000,000, subject to certain conditions; (v) default in respect of other Indebtedness of the Company or any of its Subsidiaries (other than Indebtedness of the Company or of any of its Subsidiaries owing to the Company or any of its Subsidiaries)

---

in an amount in excess of \$35,000,000, which results in the acceleration of such Indebtedness, subject to certain conditions; (vi) certain events of bankruptcy or insolvency involving the Company or any Subsidiary Guarantor; and (vii) the Guarantee of any Subsidiary Guarantor ceases to be in full force and effect during its term or any Subsidiary Guarantor denies or disaffirms in writing its obligations under the Indenture or its Guarantee, other than any such cessation, denial or disaffirmation in connection with the termination of such Guarantee pursuant to the provisions of the Indenture.

If an Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes may declare all the Notes to be due and payable immediately. Certain events of bankruptcy or insolvency involving the Company are Events of Default which will result in the Notes being due and payable immediately upon the occurrence of such Events of Default.

Noteholders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may refuse to enforce the Indenture or the Notes unless it receives indemnity or security satisfactory to it. Subject to certain limitations, Holders of a majority in principal amount of the Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Noteholders notice of any continuing Default or Event of Default (except a Default or Event of Default in payment of principal, premium, if any, or interest) if it in good faith determines that withholding notice is not opposed to their interest.

15. Trustee Dealings with the Company

Subject to certain limitations set forth in the Indenture, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Company and may otherwise deal with the Company with the same rights it would have if it were not Trustee.

16. No Recourse Against Others

A director, officer, employee or stockholder (other than the Company), as such, of the Company shall not have any liability for any obligations of the Company under the Notes, the Indenture or the Registration Rights Agreement or for any claim based on, in respect of or by reason of such obligations or their creation. By accepting a Note, each Noteholder waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Notes.

17. Authentication

This Note shall not be valid until an authorized signatory of the Trustee (or an authenticating agent acting on its behalf) manually signs the certificate of authentication on the other side of this Note.

19. [CUSIP and ISIN Numbers]

The Company has caused CUSIP and ISIN numbers and/or other similar numbers to be printed on the Notes and has directed the Trustee to use CUSIP and ISIN numbers and/or other similar numbers in notices of redemption as a convenience to Noteholders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.] [For Notes to be issued with CUSIP or ISIN numbers.]

3.25% Senior Note due 2030

1. Interest

Expedia Group, Inc., a Delaware corporation (together with its successors and assigns under the Indenture hereinafter referred to, being herein called the "Company"), promises to pay interest on the principal amount of this Note at the rate of 3.25% per annum.

The Company shall pay interest semiannually in arrears on February 15 and August 15 of each year (each such date, an "Interest Payment Date"), commencing on [February 15, 2020] [first interest payment date relating to any Additional Notes]. Interest on the Notes shall accrue from [September 19, 2019] [date of issuance of any Additional Notes] [prior interest payment date], or from the most recent date to which interest has been paid or duly provided for on the Notes. Interest shall be computed on the basis of a 360-day year comprised of twelve 30-day months.

2. Method of Payment

By no later than 11:00 a.m. (New York City time) on the date on which any principal of, premium, if any, or interest on any Note is due and payable, the Company shall irrevocably deposit with the Trustee or the Paying Agent money sufficient to pay such principal, premium, if any, and/or interest. The Company shall pay interest (except defaulted interest) to the Persons who are registered Holders of Notes at the close of business on the February 1 or August 1 (whether or not a Business Day) immediately preceding the Interest Payment Date. Holders must surrender Notes to a Paying Agent to collect principal and premium payments. The Company shall pay principal, premium, if any, and interest in money of the United States that at the time of payment is legal tender for payment of public and private debts. Payments in respect of Notes represented by a Global Note held by the Depository (including principal, premium, if any, and interest) shall be made by the transfer of immediately available funds to the accounts specified by the Depository. The Company may make all payments in respect of a Definitive Note (including principal, premium, if any, and interest) by mailing a check to the registered address of each Holder thereof or by wire transfer to an account located in the United States maintained by the payee; provided, that such Holder shall have furnished the Paying Agent with wire transfer instructions satisfactory to the Paying Agent at least 15 calendar days prior to the payment date.

If any interest payment date or other payment date of a Note falls on a day that is not a Business Day, the required payment of principal, premium, if any, and interest will be made on the next succeeding Business Day as if made on the date that the payment was due, and no interest shall accrue on that payment for the period from and after that interest payment date or other payment date, as the case may be, to the date of that payment on the next succeeding Business Day.

---

3. Paying Agent and Registrar

U.S. Bank National Association, a national banking association (the “Trustee”), shall initially act as Paying Agent and Registrar. The Company may appoint and change any Paying Agent or Registrar without notice to any Noteholder. The Company or any of its domestically organized wholly owned Subsidiaries may act as Paying Agent.

4. Indenture

The Company issued the Notes under an Indenture dated as of September 19, 2019 (as it may be amended or supplemented from time to time in accordance with the terms thereof, the “Indenture”), among the Company, the Subsidiary Guarantors and the Trustee. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S.C. §§ 77aaa-77bbb) as in effect on the date of the Indenture (the “Trust Indenture Act”). Capitalized terms used herein and not defined herein have the meanings ascribed thereto in the Indenture. The Notes are subject to all such terms, and Noteholders are referred to the Indenture and the Trust Indenture Act for a statement of those terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

The Notes are senior unsecured obligations of the Company. This Note is one of the Exchange Notes referred to in the Indenture. The Notes include the Initial Notes issued on the Issue Date, any Additional Notes issued in accordance with Section 2.13 of the Indenture and any Exchange Notes issued in exchange for the Initial Notes or Additional Notes pursuant to the Indenture and the Registration Rights Agreement. The Initial Notes, any Additional Notes and the Exchange Notes are treated as a single class of securities under the Indenture. The Indenture imposes certain limitations on the ability of the Company and its Subsidiaries to create liens, enter into sale and lease-back transactions and enter into mergers and consolidations.

The Notes are guaranteed to the extent provided in the Indenture.

5. Optional Redemption

Prior to November 15, 2029 (the date that is three months prior to the Stated Maturity of the Notes), the Notes shall be redeemable, in whole or in part, from time to time, at the option of the Company, at a redemption price equal to the greater of (i) 100% of the aggregate principal amount of the Notes to be redeemed and (ii) the sum of the present values of the Remaining Scheduled Payments thereon (exclusive of interest accrued to the date of redemption) discounted to the redemption date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 25 basis points, in each case, plus accrued and unpaid interest thereon to but excluding the redemption date.

---

On or after November 15, 2029 (the date that is three months prior to the Stated Maturity of the Notes), the Notes shall be redeemable, in whole or in part, from time to time, at the option of the Company, at a redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest thereon to but excluding the redemption date.

The following terms are relevant to the determination of the redemption price for any redemption prior to November 15, 2029:

“Comparable Treasury Issue” means the United States Treasury security selected by an Independent Investment Banker as having an actual or interpolated maturity comparable to the remaining term of the Notes to be redeemed (assuming for such purpose that the Notes matured on November 15, 2029) that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such Notes.

“Comparable Treasury Price” means, with respect to a redemption date, (1) the arithmetic average of the Reference Treasury Dealer Quotations for such redemption date after excluding the highest and lowest Reference Treasury Dealer Quotations, or (2) if the Independent Investment Banker is given fewer than four Reference Treasury Dealer Quotations, the arithmetic average of all Reference Treasury Dealer Quotations for such redemption date.

“Independent Investment Banker” means BofA Securities, Inc., J.P. Morgan Securities LLC or Goldman Sachs & Co. LLC (or their respective successors) as may be appointed from time to time by the Company.

“Primary Treasury Dealer” means a primary U.S. government securities dealer in New York City.

“Reference Treasury Dealer” means (i) two of BofA Securities, Inc., J.P. Morgan Securities LLC and Goldman Sachs & Co. LLC (or their respective successors) selected by the Company; provided, however, that if any of the foregoing ceases to be a Primary Treasury Dealer, the Company may substitute another Primary Treasury Dealer and (ii) two other Primary Treasury Dealers selected by the Company.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date, the arithmetic average, as determined by the Independent Investment Banker, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Independent Investment Banker by such Reference Treasury Dealer by 3:30 p.m., New York City time, on the third Business Day preceding such redemption date.

“Remaining Scheduled Payments” means, with respect to any Note to be redeemed, the remaining scheduled payments of the principal and interest thereon that would be due after the related redemption date but for such redemption if such Notes

---

matured on November 15, 2029; provided, however, that, if such redemption date is not an interest payment date with respect to such Note, the amount of the next scheduled interest payment thereon will be reduced (solely for purposes of making this determination) by the amount of interest accrued thereon to such redemption date.

“Treasury Rate” means, with respect to any redemption date, the rate per annum equal to the semi-annual equivalent yield to maturity (computed as of the third Business Day immediately preceding that redemption date) of the Comparable Treasury Issue. In determining this rate, the Company will assume a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

Except as set forth above, the Notes shall not be redeemable at the election of the Company prior to maturity.

The Notes shall not be entitled to the benefit of any sinking fund.

6. Notice of Redemption

Notice of redemption will be mailed or electronically delivered if held by the Depository at least 15 days but not more than 60 days before the redemption date to each Holder of Notes to be redeemed at his registered address. Notes in denominations larger than \$2,000 principal amount may be redeemed in part but only in whole multiples of \$2,000. Notes of \$2,000 or less may be redeemed in whole and not in part. If money sufficient to pay the redemption price of and accrued interest on all Notes (or portions thereof) to be redeemed on the redemption date is deposited with the Paying Agent on or before 11:00 a.m. (New York City time) on the redemption date (or, if the Company or any of its Subsidiaries is the Paying Agent, such money is segregated and held in trust), on and after the redemption date interest shall cease to accrue on such Notes (or such portions thereof) called for redemption.

7. Put Provisions

Upon a Change of Control Triggering Event, subject to limited exceptions, any Holder of Notes will have the right to cause the Company to repurchase all or any part of the Notes of such Holder at a repurchase price equal to 101% of the principal amount of the Notes to be repurchased plus accrued and unpaid interest to the date of repurchase (subject to the right of holders of record on the relevant record date to receive interest due on an interest payment date occurring on or prior to the date of such repurchase) as provided in, and subject to the terms of, the Indenture.

8. Denominations; Transfer; Exchange

The Notes are in fully registered form without coupons in denominations of principal amount of \$2,000 and integral multiples of \$1,000 in excess thereof. A Holder may register, transfer or exchange Notes in accordance with the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes and fees required by law or permitted by the

---

Indenture; provided that no service charge will be made for any registration of transfer or exchange of Notes, but the Company may require payment of a sum sufficient to cover any transfer tax or other similar governmental charge payable in connection therewith. The Registrar need not register the transfer of or exchange any Notes selected for redemption (except, in the case of a Note to be redeemed in part, the portion of the Note not to be redeemed) for a period beginning 15 days before the mailing or electronic delivery of a notice of redemption of Notes to be redeemed and ending on the date of such mailing or electronic delivery.

9. Persons Deemed Owners

The registered holder of this Note shall be treated as the owner of it for all purposes (subject to the rights of a registered holder as of a record date prior thereto to receive interest due on an interest payment date as provided herein and in the Indenture).

10. Unclaimed Money

If money for the payment of principal, premium, if any, or interest remains unclaimed for two years after the date of payment of principal, premium, if any, and interest, the Trustee or Paying Agent shall pay the money back to the Company at its request. After any such payment, all liability of the Trustee and the Paying Agent with respect to such money shall cease and Holders entitled to the money must look only to the Company and not to the Trustee for payment.

11. Defeasance

Subject to certain conditions set forth in the Indenture, the Company at any time may terminate some or all of its obligations under the Notes and the Indenture if the Company deposits with the Trustee U.S. dollars or U.S. Government Obligations for the payment of principal of, premium, if any, and interest on the Notes to redemption or maturity, as the case may be.

12. Amendment, Waiver

Subject to certain exceptions set forth in the Indenture, (i) the Indenture or the Notes may be amended with the written consent of the Holders of at least a majority in aggregate principal amount of the outstanding Notes (including consents obtained in connection with a tender offer or exchange for Notes) and (ii) any default or noncompliance with any provision of the Indenture or the Notes may be waived with the written consent of the Holders of a majority in aggregate principal amount of the outstanding Notes. However, the Indenture requires the consent of each Noteholder that would be affected for certain specified amendments or modifications of the Indenture and the Notes. Subject to certain exceptions set forth in the Indenture, without notice to or the consent of any Noteholder, the Company, the Subsidiary Guarantors and the Trustee may amend the Indenture or the Notes to cure any ambiguity, omission, defect or inconsistency, or to evidence the succession of another Person to the Company or any Subsidiary Guarantor and the assumption by any such Person of the obligations of the Company or such Subsidiary Guarantor in accordance with Article V of the Indenture, or

---

to add any additional Events of Default, or to add to the covenants of the Company or any Subsidiary Guarantor for the benefit of the Holders of the Notes or surrender any right or power conferred upon the Company or any Subsidiary Guarantor, or to add one or more guarantees for the benefit of the Holders of the Notes, or to evidence the release of any Subsidiary Guarantor from its Guarantee of the Notes in accordance with the Indenture, or to add collateral security with respect to the Notes or any Guarantee, or to add or appoint a successor or separate Trustee or other agent, or to provide for the issuance of the Exchange Notes in accordance with the Indenture, or to provide for the issuance of any Additional Notes, or to comply with any requirement in connection with qualifying the Indenture under the Trust Indenture Act, or to comply with the rules of any applicable securities depository, or to provide for uncertificated Notes in addition to or in place of certificated Notes in accordance with the Indenture, or to conform the text of the Indenture, this Note or any Guarantee to any provision of the "Description of Notes" section of the Offering Memorandum to the extent such provision in such "Description of Notes" was intended to set forth, verbatim or in substance, a provision of the Indenture, this Note or the Guarantees, or to make any change if the change does not adversely affect the interests of any Noteholder.

### 13. Defaults and Remedies

Under the Indenture, Events of Default include (i) default for 30 days in payment of interest on the Notes; (ii) default in payment of principal or premium, if any, on the Notes when due at its Stated Maturity, upon optional redemption or otherwise; (iii) failure by the Company or any Subsidiary Guarantor to comply with any other agreement in the Indenture or the Notes, subject to notice and lapse of time; (iv) failure to make any payment at maturity, including any applicable grace period, in respect of Indebtedness of the Company or any of its Subsidiaries (other than Indebtedness of the Company or of any of its Subsidiaries owing to the Company or any of its Subsidiaries) in an amount in excess of \$35,000,000, subject to certain conditions; (v) default in respect of other Indebtedness of the Company or any of its Subsidiaries (other than Indebtedness of the Company or of any of its Subsidiaries owing to the Company or any of its Subsidiaries) in an amount in excess of \$35,000,000, which results in the acceleration of such Indebtedness, subject to certain conditions; (vi) certain events of bankruptcy or insolvency involving the Company or any Subsidiary Guarantor; and (vii) the Guarantee of any Subsidiary Guarantor ceases to be in full force and effect during its term or any Subsidiary Guarantor denies or disaffirms in writing its obligations under the Indenture or its Guarantee, other than any such cessation, denial or disaffirmation in connection with the termination of such Guarantee pursuant to the provisions of the Indenture.

If an Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes may declare all the Notes to be due and payable immediately. Certain events of bankruptcy or insolvency involving the Company are Events of Default which will result in the Notes being due and payable immediately upon the occurrence of such Events of Default.

Noteholders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may refuse to enforce the Indenture or the Notes

---

unless it receives indemnity or security satisfactory to it. Subject to certain limitations, Holders of a majority in principal amount of the Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Noteholders notice of any continuing Default or Event of Default (except a Default or Event of Default in payment of principal, premium, if any, or interest) if it in good faith determines that withholding notice is not opposed to their interest.

14. Trustee Dealings with the Company

Subject to certain limitations set forth in the Indenture, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Company and may otherwise deal with the Company with the same rights it would have if it were not Trustee.

15. No Recourse Against Others

A director, officer, employee or stockholder (other than the Company), as such, of the Company shall not have any liability for any obligations of the Company under the Notes, the Indenture or the Registration Rights Agreement or for any claim based on, in respect of or by reason of such obligations or their creation. By accepting a Note, each Noteholder waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Notes.

16. Authentication

This Note shall not be valid until an authorized signatory of the Trustee (or an authenticating agent acting on its behalf) manually signs the certificate of authentication on the other side of this Note.

18. [CUSIP and ISIN Numbers]

The Company has caused CUSIP and ISIN numbers and/or other similar numbers to be printed on the Notes and has directed the Trustee to use CUSIP and ISIN numbers and/or other similar numbers in notices of redemption as a convenience to Noteholders. SECTION 2. Registration Under the Securities Act. (a) To the extent not prohibited by any applicable law or applicable interpretations of the Staff, the Company and the Guarantors shall use their commercially reasonable best efforts to (i) cause to be filed an Exchange Offer Registration Statement covering an offer to the Holders to exchange all the Registrable Securities for Exchange Securities, (ii) cause such Exchange Offer Registration Statement to become effective and (iii) have such Registration Statement remain effective until 180 days after the last Exchange Date for use by one or more Participating Broker-Dealers. The Company and the Guarantors shall commence the Exchange Offer promptly after the Exchange Offer Registration Statement is declared effective by the SEC and use their commercially reasonable best efforts to complete the Exchange Offer not later than (1) 30 days after such effective date (or if such 30th day is not a Business Day, the next succeeding Business Day) and (2) the Target Registration Date.

The Company and the Guarantors shall commence the Exchange Offer by mailing in compliance with the applicable procedures of the depository the related Prospectus, appropriate letters of transmittal and other accompanying documents to each Holder stating, in addition to such other disclosures as are required by applicable law, substantially the following:

(i) that the Exchange Offer is being made pursuant to this Agreement and that all Registrable Securities validly tendered and not properly withdrawn will be accepted for exchange;

(ii) the dates of acceptance for exchange (which shall be a period of at least 20 Business Days from the date such notice is mailed) (the "Exchange Dates");

(iii) that any Registrable Security not tendered will remain outstanding and continue to accrue interest but will not retain any rights under this Agreement, except as otherwise specified herein;

(iv) that any Holder electing to have a Registrable Security exchanged pursuant to the Exchange Offer will be required to (A) surrender such Registrable Security, together with the appropriate letters of transmittal, to the institution and at the address (located in the Borough of Manhattan, The City of New York) and in the manner specified in the notice, or (B) effect such exchange otherwise in compliance with the applicable procedures of the depository for such Registrable Security, in each case prior to the close of business on the last Exchange Date; and

(v) that any Holder will be entitled to withdraw its election, not later than the close of business on the last Exchange Date, by (A) delivering to the institution and at the address (located in the Borough of Manhattan, The City of New York) specified in the notice, a facsimile transmission or letter setting forth the name of such Holder, the principal amount of Registrable Securities delivered for exchange and a statement that such Holder is withdrawing its election to have such Securities exchanged or (B) effecting such withdrawal in compliance with the applicable procedures of the depository for the Registrable Securities.

---

As a condition to participating in the Exchange Offer, a Holder will be required to represent to the Company and the Guarantors that (i) any Exchange Securities to be received by it will be acquired in the ordinary course of its business, (ii) at the time of the commencement of the Exchange Offer it has no arrangement or understanding with any Person to participate in the distribution (within the meaning of the Securities Act) of the Exchange Securities in violation of the provisions of the Securities Act, (iii) it is not an “affiliate” (within the meaning of Rule 405 under the Securities Act) of the Company or any Guarantor and (iv) if such Holder is a broker-dealer that will receive Exchange Securities for its own account in exchange for Registrable Securities that were acquired as a result of market-making or other trading activities, then such Holder will deliver a Prospectus (or, to the extent permitted by law, make available a Prospectus to purchasers) in connection with any resale of such Exchange Securities.

As soon as practicable after the last Exchange Date, the Company and the Guarantors shall:

(i) accept for exchange Registrable Securities or portions thereof validly tendered and not properly withdrawn pursuant to the Exchange Offer; and

(ii) deliver, or cause to be delivered, to the Trustee for cancellation all Registrable Securities or portions thereof so accepted for exchange by the Company and issue, and cause the Trustee to promptly authenticate and deliver to each Holder, Exchange Securities equal in principal amount to the principal amount of the Registrable Securities tendered by such Holder.

The Company and the Guarantors shall use their commercially reasonable best efforts to complete the Exchange Offer as provided above and shall comply with the applicable requirements of the Securities Act, the Exchange Act and other applicable laws and regulations in connection with the Exchange Offer. The Exchange Offer shall not be subject to any conditions, other than that the Exchange Offer does not violate any applicable law or applicable interpretations of the Staff.

(b) In the event that (i) the Company and the Guarantors determine that the Exchange Offer Registration provided for in Section 2(a) above is not available or may not be completed as soon as reasonably practicable after the last Exchange Date because it would violate any applicable law or applicable interpretations of the Staff, (ii) the Exchange Offer is not for any other reason completed by the Target Registration Date or (iii) upon receipt of a written request (a “Shelf Request”) from any Initial Purchaser representing that it holds Registrable Securities that were ineligible to be exchanged in the Exchange Offer, the Company and the Guarantors shall use their commercially reasonable best efforts to cause to be filed as soon as practicable after such determination date or Shelf Request, as the case may be, a Shelf Registration Statement providing for the sale of all the Registrable Securities by the Holders thereof and to have such Shelf Registration Statement become effective.

In the event that the Company and the Guarantors are required to file a Shelf Registration Statement pursuant to clause (iii) of the preceding sentence, the Company and the Guarantors shall use their commercially reasonable best efforts to file and have become effective both an Exchange Offer Registration Statement pursuant to Section 2(a) with respect to all

---

Registrable Securities and a Shelf Registration Statement (which may be a combined Registration Statement with the Exchange Offer Registration Statement) with respect to offers and sales of Registrable Securities held by the Initial Purchasers after completion of the Exchange Offer.

The Company and the Guarantors agree to use their commercially reasonable best efforts to keep the Shelf Registration Statement continuously effective until the date on which the Securities registered thereunder cease to constitute Registrable Securities (the "Shelf Effectiveness Period"). The Company and the Guarantors further agree to supplement or amend the Shelf Registration Statement and the related Prospectus if required by the rules, regulations or instructions applicable to the registration form used by the Company for such Shelf Registration Statement or by the Securities Act or by any other rules and regulations thereunder or if reasonably requested by a Holder of Registrable Securities with respect to information relating to such Holder, and to use their commercially reasonable best efforts to cause any such amendment to become effective, if required, and such Shelf Registration Statement and Prospectus to become usable as soon as thereafter practicable. The Company and the Guarantors agree to furnish to the Holders of Registrable Securities (or file on EDGAR) copies of any such supplement or amendment promptly after its being used or filed with the SEC.

(c) The Company and the Guarantors shall pay all Registration Expenses in connection with any registration pursuant to Section 2(a) or Section 2(b) hereof. Each Holder shall pay all underwriting discounts and commissions, brokerage commissions and transfer taxes, if any, relating to the sale or disposition of such Holder's Registrable Securities pursuant to the Shelf Registration Statement.

(d) An Exchange Offer Registration Statement pursuant to Section 2(a) hereof will not be deemed to have become effective unless it has been declared effective by the SEC. A Shelf Registration Statement pursuant to Section 2(b) hereof will not be deemed to have become effective unless it has been declared effective by the SEC or is automatically effective upon filing with the SEC as provided by Rule 462 under the Securities Act.

In the event that neither the Exchange Offer has been completed nor, if required in lieu thereof pursuant to Section 2(b)(i) or 2(b)(ii) hereof, the Shelf Registration Statement has become effective, on or prior to the Target Registration Date (such event, a "Registration Default"), the annual interest rate on the Registrable Securities will be increased by 0.25% per annum from the date of such Registration Default to but excluding the earlier of the date such Registration Default is cured or the Securities cease to be Registrable Securities. In the event that the Company receives a Shelf Request pursuant to Section 2(b)(iii), and the Shelf Registration Statement required to be filed thereby has not become effective by the later of (a) the Target Registration Date or (b) 90 days after delivery of such Shelf Request, then the annual interest rate on the Registrable Securities will be increased by 0.25% per annum for the period from such date to but excluding the earlier of (i) the date on which such Shelf Registration Statement is declared effective and (ii) the date that the Securities cease to be Registrable Securities.

Notwithstanding the foregoing, (1) the Company and the Guarantors shall in no event be required to pay additional interest in excess of 0.25% per annum even if more than one

---

Registration Default exists at any given time and (2) a Holder of Securities who is not entitled to the benefits of a Shelf Registration Statement shall not be entitled to additional interest with respect to a Registration Default that pertains to such Shelf Registration Statement.

If the Shelf Registration Statement, if required hereby, has become effective and thereafter either ceases to be effective or the Prospectus contained therein ceases to be usable, in each case whether or not permitted by this Agreement, at any time during the Shelf Effectiveness Period, then the annual interest rate on the Registrable Securities will be increased by 0.25% per annum commencing on the day that the Shelf Registration Statement ceases to be effective or the Prospectus ceases to be usable to but excluding the earlier of (i) the date that the Shelf Registration Statement has again become effective or the Prospectus again becomes usable and (ii) the date that the Shelf Effectiveness Period ends; provided that if the failure of the Shelf Registration Statement to be effective or the Prospectus to be usable is otherwise permitted by this Agreement, then the increase in interest rate will only be effective if such failure to be effective or usable exists for more than 30 days (whether or not consecutive) in any 12-month period and such increase will commence on the 31st day that such failure to be effective or usable exists in such 12-month period.

(e) Without limiting the remedies available to the Initial Purchasers and the Holders, the Company and the Guarantors acknowledge that any failure by the Company or the Guarantors to comply with their obligations under Section 2(a) and Section 2(b) hereof may result in material irreparable injury to the Initial Purchasers or the Holders for which there is no adequate remedy at law, that it will not be possible to measure damages for such injuries precisely and that, in the event of any such failure, the Initial Purchasers or any Holder may obtain such relief as may be required to specifically enforce the Company's and the Guarantors' obligations under Section 2(a) and Section 2(b) hereof.

(f) The Company represents, warrants and covenants that it (including its agents and representatives) will not prepare, make, use, authorize, approve or refer to any "written communication" (as defined in Rule 405 under the Securities Act), other than any communication pursuant to Rule 134 under the Securities Act, any document constituting an offer to sell or solicitation of an offer to buy the Securities or the Exchange Securities that falls within the exception from the definition of prospectus in Section 2(a)(10)(a) of the Securities Act or a prospectus satisfying the requirements of Section 10(a) of the Securities Act or of Rule 430, Rule 430A, Rule 430B, Rule 430C or Rule 431 under the Securities Act.

(g) The additional interest provided for above shall be payable at the same times, in the same manner and to the same persons as ordinary interest on the Registrable Securities.

SECTION 3. Registration Procedures. (a) In connection with their obligations pursuant to Section 2(a) and Section 2(b) hereof, the Company and the Guarantors shall as expeditiously as reasonably possible:

(i) prepare and file with the SEC a Registration Statement on the appropriate form under the Securities Act, which form (x) shall be selected by the Company and the Guarantors, (y) shall, in the case of a Shelf Registration, be available

---

for the sale of the Registrable Securities by the Holders thereof and (z) shall comply as to form in all material respects with the requirements of the applicable form and include all financial statements required by the SEC to be filed therewith; and use their commercially reasonable best efforts to cause such Registration Statement to become effective and remain effective for the applicable period in accordance with Section 2 hereof;

(ii) prepare and file with the SEC such amendments and post-effective amendments to each Registration Statement as may be necessary to keep such Registration Statement effective for the applicable period in accordance with Section 2 hereof and cause each Prospectus to be supplemented by any required prospectus supplement and, as so supplemented, to be filed pursuant to Rule 424 under the Securities Act; and keep each Prospectus current during the period described in Section 4(3) of, and Rule 174 under, the Securities Act that is applicable to transactions by brokers or dealers with respect to the Registrable Securities or Exchange Securities;

(iii) in the case of a Shelf Registration, furnish to each Holder of Registrable Securities, to counsel for the Initial Purchasers, to counsel for such Holders and to each Underwriter of an Underwritten Offering of Registrable Securities, if any, without charge, upon request, as many copies of each Prospectus or preliminary prospectus, and any amendment or supplement thereto, as such Holder, counsel or Underwriter may reasonably request in order to facilitate the sale or other disposition of the Registrable Securities thereunder; and the Company and the Guarantors consent to the use of such Prospectus, preliminary prospectus and any amendment or supplement thereto in accordance with applicable law by each of the Holders of Registrable Securities and any such Underwriters in connection with the offering and sale of the Registrable Securities covered by and in the manner described in such Prospectus, preliminary prospectus or any amendment or supplement thereto in accordance with applicable law;

(iv) use their commercially reasonable best efforts to register or qualify the Registrable Securities under all applicable state securities or blue sky laws of such jurisdictions as any Holder of Registrable Securities covered by a Registration Statement shall reasonably request in writing by the time the applicable Registration Statement becomes effective; cooperate with such Holders in connection with any filings required to be made with the FINRA; and do any and all other acts and things that may be reasonably necessary or advisable to enable each Holder to complete the disposition in each such jurisdiction of the Registrable Securities owned by such Holder; provided that neither the Company nor any Guarantor shall be required to (1) qualify as a foreign corporation or other entity or as a dealer in securities in any such jurisdiction where it would not otherwise be required to so qualify, (2) file any general consent to service of process in any such jurisdiction, (3) subject itself to taxation or tariff in any such jurisdiction if it is not so subject or (4) make any change to its charter or by-laws or similar organizational documents;

(v) notify counsel for the Initial Purchasers and, in the case of a Shelf Registration, notify each Holder of Registrable Securities and counsel for such Holders

---

promptly and, if requested by any such Holder or counsel, confirm such advice in writing (1) when a Registration Statement has become effective, when any post-effective amendment thereto has been filed and becomes effective and when any amendment or supplement to the Prospectus has been filed, (2) of any request by the SEC or any state securities authority for amendments and supplements to a Registration Statement or Prospectus or for additional information after the Registration Statement has become effective, (3) of the issuance by the SEC or any state securities authority of any stop order suspending the effectiveness of a Registration Statement or the initiation of any proceedings for that purpose, including the receipt by the Company of any notice of objection of the SEC to the use of a Shelf Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Securities Act, (4) if, between the applicable effective date of a Shelf Registration Statement and the closing of any sale of Registrable Securities covered thereby, the representations and warranties of the Company or any Guarantor contained in any underwriting agreement, securities sales agreement or other similar agreement, if any, relating to an offering of such Registrable Securities cease to be true and correct in all material respects or if the Company or any Guarantor receives any notification with respect to the suspension of the qualification of the Registrable Securities for sale in any jurisdiction or the initiation of any proceeding for such purpose, (5) of the happening of any event during the period a Registration Statement is effective that makes any statement made in such Registration Statement or the related Prospectus untrue in any material respect or that requires the making of any changes in such Registration Statement or Prospectus in order to make the statements therein not misleading and (6) of any determination by the Company or any Guarantor that a post-effective amendment to a Registration Statement or any amendment or supplement to the Prospectus would be appropriate;

(vi) use their commercially reasonable best efforts to obtain the withdrawal of any order suspending the effectiveness of a Registration Statement or, in the case of a Shelf Registration, the resolution of any objection of the SEC pursuant to Rule 401(g)(2) under the Securities Act, including by filing an amendment to such Shelf Registration Statement on the proper form, as soon as practicable and provide prompt notice to each Holder of the withdrawal of any such order or such resolution;

(viii) in the case of a Shelf Registration, cooperate with the Holders of Registrable Securities to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be sold and not bearing any restrictive legends and enable such Registrable Securities to be issued in such denominations and registered in such names (consistent with the provisions of the Indenture) as such Holders may reasonably request at least two Business Days prior to the closing of any sale of Registrable Securities;

---

(ix) in the case of a Shelf Registration, upon the occurrence of any event contemplated by Section 3(a)(v)(5) hereof, use their reasonable best efforts to prepare and file with the SEC a supplement or post-effective amendment to such Shelf Registration Statement or the related Prospectus or any document incorporated therein by reference or file any other required document so that, as thereafter delivered (or, to the extent permitted by law, made available) to purchasers of the Registrable Securities, such Prospectus will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and the Company and the Guarantors shall notify the Holders of Registrable Securities to suspend use of the Prospectus as promptly as practicable after the occurrence of such an event, and such Holders hereby agree to suspend use of the Prospectus until the Company and the Guarantors have amended or supplemented the Prospectus to correct such misstatement or omission;

(x) a reasonable time prior to the filing of any Registration Statement, any Prospectus, any amendment to a Registration Statement or amendment or supplement to a Prospectus (other than documents that will be incorporated by reference therein), provide copies of such document to the Initial Purchasers and their counsel (and, in the case of a Shelf Registration Statement, to the Holders of Registrable Securities and their counsel) and make such of the representatives of the Company and the Guarantors as shall be reasonably requested by the Initial Purchasers or their counsel (and, in the case of a Shelf Registration Statement, the Holders of Registrable Securities or their counsel) available for discussion of such document; and the Company and the Guarantors shall not, at any time after initial filing of a Registration Statement, use or file any Prospectus, any amendment of or supplement to a Registration Statement or a Prospectus (other than documents that will be incorporated by reference therein), of which the Initial Purchasers and their counsel (and, in the case of a Shelf Registration Statement, the Holders of Registrable Securities and their counsel) shall not have previously been advised and furnished a copy or to which the Initial Purchasers or their counsel (and, in the case of a Shelf Registration Statement, the Holders of Registrable Securities or their counsel) shall reasonably object;

Period by a representative of the Holders of the Registrable Securities (an “Inspector”), any Underwriter participating in any disposition pursuant to such Shelf Registration Statement, any attorneys and accountants designated by a majority of the Holders of Registrable Securities to be included in such Shelf Registration and any attorneys and accountants designated by such Underwriter, at reasonable times and in a reasonable manner, all pertinent financial and other records, documents and properties of the Company and its subsidiaries, and cause the respective officers, directors and employees of the Company and the Guarantors to supply all information reasonably requested by any such Inspector, Underwriter, attorney or accountant in connection with a Shelf Registration Statement; provided that if any such information is identified by the Company or any Guarantor as being confidential or proprietary, each Person receiving such information shall take such actions as are reasonably necessary to protect the confidentiality of such information to the extent such action is otherwise not inconsistent with, an impairment of or in derogation of the rights and interests of any Inspector, Holder or Underwriter;

(xiv) in the case of a Shelf Registration, use their commercially reasonable best efforts to cause all Registrable Securities to be listed on any securities exchange or any automated quotation system on which similar securities issued or guaranteed by the Company or any Guarantor are then listed if requested by the Majority Holders, to the extent such Registrable Securities satisfy applicable listing requirements;

(xv) if reasonably requested by any Holder of Registrable Securities covered by a Shelf Registration Statement, promptly include in a Prospectus supplement or post-effective amendment such information with respect to such Holder as such Holder reasonably requests to be included therein and make all required filings of such Prospectus supplement or such post-effective amendment as soon as reasonably practicable after the Company has received notification of the matters to be so included in such filing;

(xvi) as may reasonably be required in the case of a Shelf Registration, enter into such customary agreements and take all such other actions in connection therewith (including those requested by the Holders of a majority in principal amount of the Registrable Securities covered by the Shelf Registration Statement) in order to expedite or facilitate the disposition of such Registrable Securities including, but not limited to, an Underwritten Offering and in such connection, (1) to the extent possible, make such representations and warranties to the Holders and any Underwriters of such Registrable Securities with respect to the business of the Company and its subsidiaries and the Registration Statement, Prospectus and documents incorporated by reference or deemed incorporated by reference, if any, in each case, in form, substance and scope as are customarily made by issuers to underwriters in underwritten offerings and confirm the same if and when requested, (2) obtain opinions of counsel to the Company and the Guarantors (which counsel and opinions, in form, scope and substance similar to that provided in the Purchase Agreement, as modified for registered offering, shall be reasonably satisfactory to the Holders and such Underwriters and their respective counsel) addressed to each selling Holder and Underwriter of Registrable Securities, covering the matters customarily covered in opinions requested in underwritten offerings,

---

(3) obtain “comfort” letters from the independent certified public accountants of the Company and the Guarantors (and, if necessary, any other certified public accountant of any subsidiary of the Company or any Guarantor, or of any business acquired by the Company or any Guarantor for which financial statements and financial data are or are required to be included in the Registration Statement) addressed to each selling Holder (to the extent permitted by applicable professional standards) and Underwriter of Registrable Securities, such letters to be in customary form and covering matters of the type customarily covered in “comfort” letters in connection with underwritten offerings, including but not limited to financial information contained in any preliminary prospectus or Prospectus and (4) deliver such documents and certificates as may be reasonably requested by the Holders of a majority in principal amount of the Registrable Securities being sold or the Underwriters, and which are customarily delivered in underwritten offerings, to evidence the continued validity of the representations and warranties of the Company and the Guarantors made pursuant to clause (1) above and to evidence compliance with any customary conditions contained in an underwriting agreement; and

(xvii) so long as any Registrable Securities remain outstanding, cause each Additional Guarantor upon the creation or acquisition by the Company of such Additional Guarantor, to execute a counterpart to this Agreement in the form attached hereto as Annex A and to deliver such counterpart, together with an opinion of counsel as to the enforceability thereof against such entity, to the Initial Purchasers no later than five Business Days following the execution thereof.

(b) In the case of a Shelf Registration Statement, the Company may require each Holder of Registrable Securities to furnish to the Company such information regarding such Holder and the proposed disposition by such Holder of such Registrable Securities as the Company and the Guarantors may from time to time reasonably request in writing.

(c) In the case of a Shelf Registration Statement, each Holder of Registrable Securities covered in such Shelf Registration Statement agrees that, upon receipt of any notice from the Company and the Guarantors of the happening of any event of the kind described in Section 3(a)(v)(3) or 3(a)(v)(5) hereof, such Holder will forthwith discontinue disposition of Registrable Securities pursuant to the Shelf Registration Statement until such Holder's receipt of the copies of the supplemented or amended Prospectus contemplated by Section 3(a)(ix) hereof and, if so directed by the Company and the Guarantors, such Holder will deliver to the Company and the Guarantors all copies in its possession, other than permanent file copies then in such Holder's possession, of the Prospectus covering such Registrable Securities that is current at the time of receipt of such notice.

(d) If the Company and the Guarantors shall give any notice to suspend the disposition of Registrable Securities pursuant to a Registration Statement, the Company and the Guarantors shall extend the period during which such Registration Statement shall be maintained effective pursuant to this Agreement by the number of days during the period from and including the date of the giving of such notice to and including the date when the Holders of such Registrable Securities shall have received copies of the supplemented or amended Prospectus necessary to resume such dispositions. The Company and the Guarantors may give any such notice only three times during any 365-day period and any such suspensions shall not exceed 30 days for each suspension and there shall not be more than two suspensions in effect during any 365-day period.

---

(e) The Holders of Registrable Securities covered by a Shelf Registration Statement who desire to do so may sell such Registrable Securities in an Underwritten Offering. In any such Underwritten Offering, the investment bank or investment banks and manager or managers (each, an “Underwriter”) that will administer the offering will be selected by the Holders of a majority in principal amount of the Registrable Securities included in such offering.

SECTION 4. Participation of Broker-Dealers in Exchange Offer. (a) The Staff has taken the position that any broker-dealer that receives Exchange Securities for its own account in the Exchange Offer in exchange for Securities that were acquired by such broker-dealer as a result of market-making or other trading activities (a “Participating Broker-Dealer”) may be deemed to be an “underwriter” within the meaning of the Securities Act and must deliver a prospectus meeting the requirements of the Securities Act in connection with any resale of such Exchange Securities.

The Company and the Guarantors understand that it is the Staff’s position that if the Prospectus contained in the Exchange Offer Registration Statement includes a plan of distribution containing a statement to the above effect and the means by which Participating Broker-Dealers may resell the Exchange Securities, without naming the Participating Broker-Dealers or specifying the amount of Exchange Securities owned by them, such Prospectus may be delivered by Participating Broker-Dealers (or, to the extent permitted by law, made available to purchasers) to satisfy their prospectus delivery obligation under the Securities Act in connection with resales of Exchange Securities for their own accounts, so long as the Prospectus otherwise meets the requirements of the Securities Act.

(b) In light of the above, and notwithstanding the other provisions of this Agreement, the Company and the Guarantors agree to amend or supplement the Prospectus contained in the Exchange Offer Registration Statement for a period of up to 180 days after the last Exchange Date (as such period may be extended pursuant to Section 3(d) of this Agreement), in order to expedite or facilitate the disposition of any Exchange Securities by Participating Broker-Dealers consistent with the positions of the Staff recited in Section 4(a) above. The Company and the Guarantors further agree that Participating Broker-Dealers shall be authorized to deliver such Prospectus (or, to the extent permitted by law, make available) during such period (but not thereafter) in connection with the resales contemplated by this Section 4.

(c) The Initial Purchasers shall have no liability to the Company, any Guarantor or any Holder with respect to any request that they may make pursuant to Section 4(b) above.

SECTION 5. Indemnification and Contribution. (a) The Company and each Guarantor, jointly and severally, agree to indemnify and hold harmless each Initial Purchaser and each Holder, their respective affiliates, directors and officers and each Person, if any, who controls any Initial Purchaser or any Holder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, from and against any and all losses, claims, damages and liabilities (including, without limitation, reasonable legal fees and other expenses incurred in

---

connection with any suit, action or proceeding or any claim asserted, as such fees and expenses are incurred), joint or several, that arise out of, or are based upon, (1) any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement or any omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein not misleading, or (2) any untrue statement or alleged untrue statement of a material fact contained in any Prospectus, any Free Writing Prospectus used in violation of this Agreement or any “issuer information” (“Issuer Information”) filed or required to be filed pursuant to Rule 433(d) under the Securities Act, or any omission or alleged omission to state therein a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case except insofar as such losses, claims, damages or liabilities arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to any Initial Purchaser or information relating to any Holder furnished to the Company in writing through the Representatives or any selling Holder, respectively, expressly for use therein. In connection with any Underwritten Offering permitted by Section 3, the Company and the Guarantors, jointly and severally, will also indemnify the Underwriters, if any, selling brokers, dealers and similar securities industry professionals participating in the distribution, their respective affiliates and each Person who controls such Persons (within the meaning of the Securities Act and the Exchange Act) to the same extent as provided above with respect to the indemnification of the Holders, if requested in connection with any Registration Statement, any Prospectus, any Free Writing Prospectus or any Issuer Information.

(b) Each Holder agrees, severally and not jointly, to indemnify and hold harmless the Company, the Guarantors, the Initial Purchasers and the other selling Holders, the directors of the Company and the Guarantors, each officer of the Company and the Guarantors who signed the Registration Statement and each Person, if any, who controls the Company, the Guarantors, any Initial Purchaser and any other selling Holder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act to the same extent as the indemnity set forth in paragraph (a) above, but only with respect to any losses, claims, damages or liabilities that arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to such Holder furnished to the Company in writing by such Holder expressly for use in any Registration Statement and any Prospectus.

(c) If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against any Person in respect of which indemnification may be sought pursuant to either paragraph (a) or (b) above, such Person (the “Indemnified Person”) shall promptly notify the Person against whom such indemnification may be sought (the “Indemnifying Person”) in writing; provided that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have under this Section 5 except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided further that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have to an Indemnified Person otherwise than under this Section 5. If any such proceeding shall be brought or asserted against an Indemnified Person and it shall have notified the Indemnifying Person thereof, the Indemnifying Person shall retain counsel reasonably satisfactory to the Indemnified Person to

---

represent the Indemnified Person and any others entitled to indemnification pursuant to this Section 5 that the Indemnifying Person may designate in such proceeding and shall pay the reasonable fees and expenses of such proceeding and shall pay the fees and expenses of such counsel related to such proceeding, as incurred. In any such proceeding, any Indemnified Person shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person unless (i) the Indemnifying Person and the Indemnified Person shall have mutually agreed to the contrary; (ii) the Indemnifying Person has failed within a reasonable time to retain counsel reasonably satisfactory to the Indemnified Person; or (iii) the named parties in any such proceeding (including any impleaded parties) include both the Indemnifying Person and the Indemnified Person and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood and agreed that the Indemnifying Person shall not, in connection with any proceeding or related proceeding in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all Indemnified Persons, and that all such fees and expenses shall be reimbursed as they are incurred. Any such separate firm (x) for any Initial Purchaser, its affiliates, directors and officers and any control Persons of such Initial Purchaser shall be designated in writing by the Majority Holders and (y) for any Holder, its directors and officers and any control Persons of such Holder shall be designated in writing by the Majority Holders and (z) in all other cases shall be designated in writing by the Company. The Indemnifying Person shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the Indemnifying Person agrees to indemnify each Indemnified Person from and against any loss or liability by reason of such settlement or judgment. No Indemnifying Person shall, without the written consent of the Indemnified Person (not to be unreasonably withheld), effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Person is or could have been a party and indemnification could have been sought hereunder by such Indemnified Person, unless such settlement (A) includes an unconditional release of such Indemnified Person, in form and substance reasonably satisfactory to such Indemnified Person, from all liability on claims that are the subject matter of such proceeding and (B) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person.

(d) If the indemnification provided for in paragraphs (a) and (b) above is unavailable to an Indemnified Person or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each Indemnifying Person under such paragraph, in lieu of indemnifying such Indemnified Person thereunder, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Company and the Guarantors from the offering of the Securities and the Exchange Securities, on the one hand, and by the Holders from receiving Securities or Exchange Securities registered under the Securities Act, on the other hand, or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) but also the relative fault of the Company and the Guarantors on the one hand and the Holders on the other in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative fault of the Company and the Guarantors on the one hand and the Holders on the other shall be determined by reference to, among other things, whether the untrue or alleged

---

untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company and the Guarantors or by the Holders and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

(e) The Company, the Guarantors and the Holders agree that it would not be just and equitable if contribution pursuant to this Section 5 were determined by pro rata allocation (even if the Holders were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in paragraph (d) above. The amount paid or payable by an Indemnified Person as a result of the losses, claims, damages and liabilities referred to in paragraph (d) above shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such Indemnified Person in connection with any such action or claim. Notwithstanding the provisions of this Section 5, in no event shall a Holder be required to contribute any amount in excess of the amount by which the total price at which the Securities or the Exchange Securities sold by such Holder exceeds the amount of any damages that such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. The Holders' obligations to contribute pursuant to this Section 5 are several and not joint.

(f) The remedies provided for in this Section 5 are not exclusive and shall not limit any rights or remedies that may otherwise be available to any Indemnified Person at law or in equity.

(g) The indemnity and contribution provisions contained in this Section 5 shall remain operative and in full force and effect regardless of (i) any termination of this Agreement, (ii) any investigation made by or on behalf of the Initial Purchasers or any Holder or any Person controlling any Initial Purchaser or any Holder, or by or on behalf of the Company or the Guarantors or the officers or directors of or any Person controlling the Company or the Guarantors, (iii) acceptance of any of the Exchange Securities and (iv) any sale of Registrable Securities pursuant to a Shelf Registration Statement.

SECTION 6. General. (a) No Inconsistent Agreements. The Company and the Guarantors represent, warrant and agree that (i) the rights granted to the Holders hereunder do not in any way conflict with and are not inconsistent with the rights granted to the holders of any other outstanding securities issued or guaranteed by the Company or any Guarantor under any other agreement and (ii) neither the Company nor any Guarantor has entered into, or on or after the date of this Agreement will enter into, any agreement that is inconsistent with the rights granted to the Holders of Registrable Securities in this Agreement or otherwise conflicts with the provisions hereof.

(b) Amendments and Waivers. The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given unless the Company and the Guarantors have obtained the written consent of Holders of at least a majority in aggregate

---

principal amount of the outstanding Registrable Securities affected by such amendment, modification, supplement, waiver or consent; provided that no amendment, modification, supplement, waiver or consent to any departure from the provisions of Section 5 hereof shall be effective as against any Holder of Registrable Securities unless consented to in writing by such Holder. Any amendments, modifications, supplements, waivers or consents pursuant to this Section 6(b) shall be by a writing executed by each of the parties hereto.

(c) Notices. All notices and other communications provided for or permitted hereunder shall be made in writing by hand-delivery, registered first-class mail, telex, telecopier, or any courier guaranteeing overnight delivery (i) if to a Holder, at the most current address given by such Holder to the Company by means of a notice given in accordance with the provisions of this Section 6(c), which address initially is, with respect to the Initial Purchasers, the address set forth in the Purchase Agreement; (ii) if to the Company and the Guarantors, initially at the Company's address set forth in the Purchase Agreement and thereafter at such other address, notice of which is given in accordance with the provisions of this Section 6(c); and (iii) to such other persons at their respective addresses as provided in the Purchase Agreement and thereafter at such other address, notice of which is given in accordance with the provisions of this Section 6(c). All such notices and communications shall be deemed to have been duly given: at the time delivered by hand, if personally delivered; five Business Days after being deposited in the mail, postage prepaid, if mailed; when answered back, if telexed; when receipt is acknowledged, if telecopied; and on the next Business Day if timely delivered to an air courier guaranteeing overnight delivery. Copies of all such notices, demands or other communications shall be concurrently delivered by the Person giving the same to the Trustee, at the address specified in the Indenture.

(d) Successors and Assigns. This Agreement shall inure to the benefit of and be binding upon the successors, assigns and transferees of each of the parties, including, without limitation and without the need for an express assignment, subsequent Holders; provided that nothing herein shall be deemed to permit any assignment, transfer or other disposition of Registrable Securities in violation of the terms of the Purchase Agreement or the Indenture. If any transferee of any Holder shall acquire Registrable Securities in any manner, whether by operation of law or otherwise, such Registrable Securities shall be held subject to all the terms of this Agreement, and by taking and holding such Registrable Securities such Person shall be conclusively deemed to have agreed to be bound by and to perform all of the terms and provisions of this Agreement and such Person shall be entitled to receive the benefits hereof. The Initial Purchasers (in their capacity as Initial Purchasers) shall have no liability or obligation to the Company or the Guarantors with respect to any failure by a Holder to comply with, or any breach by any Holder of, any of the obligations of such Holder under this Agreement.

(e) Third Party Beneficiaries. Each Holder shall be a third party beneficiary to the agreements made hereunder between the Company and the Guarantors, on the one hand, and the Initial Purchasers, on the other hand, and shall have the right to enforce such agreements directly to the extent it deems such enforcement necessary or advisable to protect its rights or the rights of other Holders hereunder.

(f) Counterparts. This Agreement may be executed in any number of counterparts and by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

---

(g) Headings. The headings in this Agreement are for convenience of reference only, are not a part of this Agreement and shall not limit or otherwise affect the meaning hereof.

(h) Governing Law. This Agreement, and any claim, controversy or dispute arising under or related to this Agreement, shall be governed by and construed in accordance with the laws of the State of New York without regard to conflict of law principles that would result in the application of any laws other than the laws of the State of New York.

(i) Entire Agreement; Severability. This Agreement contains the entire agreement between the parties relating to the subject matter hereof and supersedes all oral statements and prior writings with respect thereto. If any term, provision, covenant or restriction contained in this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable or against public policy, the remainder of the terms, provisions, covenants and restrictions contained herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated. The Company, the Guarantors and the Initial Purchasers shall endeavor in good faith negotiations to replace the invalid, void or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, void or unenforceable provisions.
